Such Consolidating Master Deed, if and when recorded in the office of Genesee County Register of Deeds, shall supersede this recorded Master Deed for West Winds and all amendments thereto. In the event the Units and Common Elements in West Winds are constructed in substantial conformance with the proposed Condominium Subdivision Plan attached as Exhibit B to this Master Deed. The Developer shall be able to satisfy the foregoing obligation by filing a certificate in the office of Genesee County Register of Deeds confirming that the Units and Common Elements "as built" are in substantial conformity with the proposed Condominium Subdivision Plan and that no Consolidation Master Deed need be recorded.

Some or all of the Storm Water Drainage Facilities, utility lines, systems (including mains and service leads) and equipment and/or the cable television and/or other telecommunications systems described above may be owned by or dedicated by the Developer to the local public authority or the company that is providing the pertinent service. Accordingly, such portion of the Storm Water Drainage Facilities, utility lines, systems (including mains and service leads) and equipment and/or the cable television and/or other telecommunication systems, if and when constructed, shall be General Common Elements only to the extent of the Co-Owners' interest therein, if any, and the Developer makes no warranty whatsoever with respect to the nature or extent of such interest, if any.

Section 4.2 Limited Common Elements. Limited Common Elements shall be subject to the exclusive use and enjoyment of the Co-Owner of the Unit to which the Limited Common Elements are appurtenant, as identified in Exhibit B to this Master Deed, except to the extent a Limited Common Element is subject to an easement reserved elsewhere in this Master Deed or any other instrument of record.

Section 4.3 Responsibilities. The respective responsibilities for the installations within and the maintenance, decoration, repair, replacement, renovation, and restoration of the Units and Common Elements are as follows:

- (a) Co-Owner Responsibility for Units and Limited Common Elements. It is anticipated that a separate residential dwelling (including an attached garage and perhaps a porch or deck) will be constructed within each Unit depicted in Exhibit B. It is also anticipated that various improvements and structures appurtenant to each such dwelling will or may also be constructed within the Unit and may extend into the Limited Common Element appurtenant to the Unit, which improvements and structures (collectively, Appurtenances") may include, but are not limited to, a

driveway, deck, balcony, atrium, hot tub, swimming pool, play structure, basketball backboard, lawn, berms, trees, plantings, and other landscaping. Except as otherwise expressly provided in this Master Deed or the Bylaws, the responsibility for and the cost of installation, maintenance, decoration, repair, renovation, restoration, and replacement of any dwelling and of any Appurtenances within a Unit and any Limited Common Elements appurtenant thereto shall be borne by the Co-Owner of the Unit that is served thereby; provided, however, that the location and exterior appearance of the dwelling and the Appurtenances, to the extent visible from any other Unit or Common Element within West Winds, shall be subject at all times to the prior approval of the Developer during the Construction and Sales Period. Units shall be connected to electricity and natural gas by the Developer. Each Co-Owner shall also be responsible for arranging for and paying all costs in connection with the extension of utilities from the mains or other such facilities, as are located at the boundary of the Common Element appurtenant to such Co-Owner's Unit to the dwelling and other structures located within the Unit, including, but not limited to, the laterals and leads for the sewer and water systems. Except as elsewhere provided in this Master Deed, all costs, of electricity, telephone, natural gas, storm drainage, sewer system, cable television, other telecommunications system, and any other utility services shall be borne by the Co-Owner of the Unit to which the services are furnished; and all utility meters, laterals, leads, and other such facilities located or to be located within the Co-Owner's Unit shall be installed, maintained, repaired, renovated, restored, and replaced at the expense of the Co-Owner whose Unit they service, except to the extent that such expenses are borne by a utility company or a public authority, and the Association shall have no responsibility with respect to such installation, maintenance, repair, renovation, restoration, or replacement. In connection with any amendment made by the Developer pursuant to Article VII of this Master Deed, the Developer may designate Limited Common Elements that are to be installed, maintained, decorated, repaired, renovated, restored, and replaced at Co-Owner expense or, in proper cases, at the Association expense.

- (b) Association Responsibility for Portions of Units and Limited Common Elements. The Association, acting through its Board of Directors, may undertake regularly recurring reasonable uniform, periodic exterior maintenance, repair, renovation, restoration, and replacement functions with respect to Units and dwellings, Appurtenances, and other Limited Common Elements associated therewith, as it may deem appropriate. Unless otherwise provided for, nothing contained herein shall require the Association to undertake such responsibilities. Any such additional responsibilities undertaken by the Association shall be charged to any affected Co-Owner on a reasonably uniform basis and collected in accordance with the assessment procedures established under Article II of the Bylaws. The Developer, in the initial maintenance budget for the Association, shall be entitled to determine the nature and extent of such services and reasonable rules and regulations may be promulgated in connection therewith. The Association, acting through its Board of Directors, may also (but has no obligation to) undertake any maintenance, repair,

renovation, restoration, or replacement obligation of the Co-Owner of a Unit with respect to said Unit, and the dwelling, Appurtenances, and other Limited Common Elements associated therewith, to the extent that said Co-Owner has not performed such obligation, and the cost thereof shall be assessed against said Co-Owner. The Association in such case shall not be responsible for any damage thereto arising as a result of the Association performing said Co-Owner's unperformed obligations. The Association shall be responsible for the following:

- 1) Landscaping. The Association shall be responsible for the maintenance (which shall include cutting the grass, fertilizing, trimming shrubs, re-barking and replacing dead plantings), repair and replacement of lawns and landscaping installed by the Developer in General Common Elements. As further described in Section 16.11 of the Bylaws, each Co-Owner shall be required to install and financially responsible for the installation of one "Canopy Street Tree" in front of the Unit dwelling in the area between the curb and the sidewalk, and the Canopy Street Tree must have a caliper of at least two inches when planted. It is the Unit owner's responsibility to maintain the Canopy Street Tree, and if it fails to survive at any point, the Unit owner shall replace the tree during the first available planting season. The Unit owner, upon completion of a dwelling upon a Unit shall landscape the Unit by including a planting bed and plantings along the front of porches and a lawn that is free of weeds. The Co-Owner is responsible to plant trees and shrubs, including the Canopy Street Tree, and install a lawn within 60 days of receiving a certificate of occupancy for the dwelling or on or before October 15<sup>th</sup> of the year in which they move into the dwelling on the Unit if they move in between April 1<sup>st</sup> and September 15<sup>th</sup>; If they move in after September 15<sup>th</sup> and before March 31<sup>st</sup>, then they are responsible to plant trees, shrubs and install a lawn by the immediately following June 30<sup>th</sup>. The planting bed must consist of evergreens and, if desired, annuals and perennials along the front porch. All landscaping plans must be submitted for approval by the Developer during the Construction and Sales Period or the Association after the Construction and Sales Period. The Unit owner also has an obligation to either install irrigation or water his lawn enough to maintain a reasonably green lawn during the growing season and to keep their lawns grass under six inches in length. The Developer and/or the Association has an obligation to put in place a fine on improper maintenance of Unit landscaping.
- 2) Driveways. The Unit Co-Owner is responsible for the installation of an asphalt or concrete driveway that is placed from the curb on the road to the approach on the garage. The pre-approved driveway has a maximum width of 16 feet. Any additional driveway surface must be approved by the Developer during the Construction Sales Period or the Association after the Construction Sales Period.

- 3) Trash. The Association will bid with trash companies for the most competitive and reliable trash company to service the Condominium Association. Only one trash company will service the entire Project but the expense of trash removal from individual Units will be borne by the Co-Owner of the Unit.
- (c) Common Lighting. The Developer and/or the Association may, but is/are not required to install illuminating fixtures within West Winds and to designate the same as common lighting as provided in the Section 4.1 of this Master Deed. Some of the common lighting may be installed within the General Common Elements. The cost of electricity for common lighting shall be paid by the Association. Said fixtures shall be maintained, repaired, renovated, restored, and replaced and the light bulbs furnished by the Association if not provided for by the utility company that provides for power. The size and nature of the bulbs, if optional, to be used in the fixtures shall also be determined by the Association in its discretion. No Co-Owner shall modify or change such fixtures in any way nor cause the electrical flow for their operation to be interrupted at any time. If the fixtures operate on photo electric cells, the timers for such cells shall be set by and at the discretion of the Association, shall remain lit at all times determined by the Association.
- (d) Roads and Storm Water Management System. Unless and until the roads and/or Storm Water Management Systems are dedicated to the public, the Association shall have the responsibility for the maintenance, repair, operation and replacement of the roads and Storm Water Management System in the Project. The expenses of repair, maintenance, operation and replacement of the roads and Storm Water Management System and any reserve for the repair or replacement thereof shall be expenses of the administration of the Association and shall be assessed against all Co-Owners of Units in the Project. Except in the case of Co-Owner fault, each of those Units shall be assessed in a proportionate share equal to its Percentage of Value of the expenses of repair, maintenance, operation and replacement of the roads and Storm Water Management System, which may be assessed as part of the regular assessments and/or as special assessments against those Units. In the case of Co-Owner's fault or the fault of a Co-Owner's invitees or renter, the entire cost of repair, maintenance, operation and replacement shall be borne by the Co-Owner or Co-Owners at fault. The operation, maintenance, repair, renovation, restored, and replacement of the roads and Storm Water Management System are further subject to the terms and provisions of the Bylaws of the Association. The roads and Storm Water Management System shall be operated, maintained, repaired, renovated, restored, and replaced in accordance with the provisions of the Master Deed and the Bylaws of the Association, all rules and regulations for the Association and all applicable federal, state, and local statutes, laws, ordinances and regulations. If the Association or its contractors or agents fail to comply with the roads and Storm Water Management System operation, maintenance, repair or replacement requirements set forth in the Master Deed, the Bylaws, and applicable laws, then, in

addition to all other remedies available under applicable law, Fenton Township, the Genesee County Drain Commission, the Genesee County Drain Commissioner, the Michigan Department of Environment, Great Lakes, and Energy and their respective contractors and agents, may, at their option, with or without notice, enter onto the General Common Elements or Limited Common Elements including any Unit that is not in compliance and perform any necessary maintenance, repair, renovation, restoration or replacement operation of or on the roads and Storm Water Management System. In that event, the Association shall reimburse the Township, the County and/or their contractors all costs incurred by it in performing the necessary maintenance, repair, renovation, restoration or replacement on the roads or Storm Water Management System as billed to the Association. If the Association does not reimburse the Township for those costs, then the Township, at its option, may assess the cost therefor against the Co-Owners of the Units in the Association, to be collected as a special assessment on the next annual tax roll of the Township. At a minimum, the Association shall establish an annual inspection and maintenance program for the road and Storm Water Management System located within the General and Limited Common Elements. This provision may not be modified, amended, or terminated without the consent of Fenton Township.

- (e) Sidewalks and Pathways. The Association shall be responsible for the maintenance, repair, and replacement of such sidewalks and pathways (if any) as may be constructed and installed within West Winds, and the cost thereof shall be included in the administrative costs covered by the assessment collected by the Association pursuant to Article II of the Bylaws.
- (f) Residual Damage. Except as otherwise specifically provided in this Master Deed, any damage to any Unit or the dwelling, Appurtenances, or other Limited Common Elements associated therewith arising as a result of the Association undertaking its rights or responsibilities as set forth in this Section 4.3 shall be repaired at the Association's expense.

Section 4.4 Use of Units and Common Elements. No Co-Owner shall use its Unit or the Common Elements in any manner inconsistent with the purposes of the Project or in any manner that will interfere with or impair the rights of any other Co-Owner in the use and enjoyment of his Unit, the Common Elements, or Easements. This includes, but is not limited to, all Co-Owners refraining from prohibiting, restricting, limiting, or in any manner interfering with normal ingress and egress and use by any of the other Co-Owners. Normal ingress and egress and use shall include use by family, guests, invitees, vendors, tradesmen, delivery persons, and others bound to or returning from any of the properties and having a need to use the roads. In addition, no Co-Owner shall be entitled to construct or install any Appurtenance in or within any General Common Element, the Roadway Easements (see Section 6.2.1), or any other easements

established pursuant to the Master Deed without the prior written approval of the Developer before during the Construction and Sales Period or the Association thereafter.

## **ARTICLE V UNIT DESCRIPTION AND PERCENTAGE OF VALUE**

Section 5.1 Description. Each Unit in West Winds consists of the area contained within the Unit boundaries as shown on Exhibit B of this Master Deed and delineated with heavy outlines, together with all Appurtenances located within such Unit boundaries. While it is anticipated that Appurtenances will be constructed upon the Units within West Wind after the recording of this Master Deed, the Units, which are depicted and described on Exhibit B, do not contain any vertical improvements for purposes of MCL 559.167(7). There are one hundred ninety-seven (197) Units in West Winds, subject to Developer's right to expand the Project, as described in this Master Deed.

Section 5.2 Condominium Percentage of Value. The Percentage of Value for each Unit within West Winds shall be equal. The determination that the Percentage of Value should be equal was made after reviewing the comparative characteristics of each Unit in West Winds and concluding that there are no material differences among the Units that affect the allocation of Percentages of Value. The Percentage of Value assigned to each Unit shall be determinative of each Co-Owner's respective share of the General Common Elements of the Project, the proportionate share of each Co-Owner in the proceeds and expenses of the Association's administration, and the value of such Co-Owner's vote at meetings of the Association of Co-Owners. The total of the Percentages of Value for all of the Units in West Winds is one hundred percent (100%).

## **ARTICLE VI EASEMENTS AND RESERVATIONS**

Section 6.1 Easement for Utilities and Maintenance of Encroachment. In the event any portion of a Unit or Common Element encroaches upon another Common Element due to shifting, settling, or moving of the dwelling, or the Appurtenances or other Limited Common Elements associated therewith, or due to survey errors, construction deviations, replacement, restoration, or repair, or due to the requirements of the Township or other local government authority, reciprocal easements shall exist for such encroachment, and for the installation, maintenance, repair, restoration and replacement of the encroachment. In the event of damage or destruction, there shall be easements to, through, under, and over those portions of the land, and other Limited Common Elements associated therewith for the continuing maintenance, repair, renovation, restoration, and replacement of all utilities in West Winds. One of the purposes of this Section is to clarify that Co-Owners have the right to maintain these Appurtenances and other Limited Common Elements that project into the Common Elements surrounding each Unit.

Section 6.2 Easements retained by Developer.

6.2.1 Roadway Easements.

(a) Developer reserves for the benefit of itself, its successors and assigns, an easement for the unrestricted use of all roads and walkways on the Condominium for the purpose of ingress and egress to and from all or any portions of the Project. Developer further reserves the right during the Construction and Sales Period to install temporary roadways and access ways over the General Common Elements in order to gain access to the Project from a public road.

(b) Developer reserves for the benefit of itself, its successors and assigns, and all future owners of the land described in this Master Deed and any area of expansion (if any), or any portion thereof, an easement for the unrestricted use of all roads and walkways in the Condominium for the purpose of ingress and egress to and from all or any portion of Project. All expenses of maintenance, repair, replacement and resurfacing of any road referred to in this Article shall be shared by this Condominium and any developed portions of the contiguous land whose closest means of access to a public road is over such road or roads within the Project, including Stony Brook, Genesee County Condominium Subdivision Plan No. 344, the Master Deed of which is recorded at Instrument No. 2004-405170054541, Genesee County Register of Deeds ("Stony Brook"). The appropriate share of expenses regarding the roadways used by other unit/property owners of Stony Brook or another development shall be determined by multiplying such expenses by a fraction, the numerator of which is the number of units/properties of Stony Brook or another development that more closely accesses a public road through this Project, and the denominator of which is comprised of the number of such units/properties plus all the other Units in this Project. There exists a reciprocal agreement within the Master Deed for Stony Brook at Article VIII, Section 8.2.1.2, which provides that the Co-Owners of this Condominium Project may be responsible from time to time for payment for a proportionate share of maintenance, repair, replacement and resurfacing expenses for the roadways within Stony Brook, which share shall be determined by multiplying such expenses by a fraction, the numerator of which is the number of Units in this Condominium that more closely accesses a public road through Stony Brook, and the denominator of which is comprised of the number of such Units plus all the other Units in Stony Brook. If these reciprocal agreements balance in number of Units that have a closer access to the nearest public road over the roads of the two Projects, then the Developer may choose at its sole choice to discontinue this reciprocal agreement and the two Projects will solely bear the expenses for their roads.

(c) The Developer reserves the right at any time until the lapse of two (2) years after the expiration of the Construction and Sales Period, and the Association shall have the right subsequent to that period, to dedicate to the public right-of-way of such width as may be required by the local public authority over any or all of the General Common Element roadways in West Winds. That right-of-way dedication may be made by the Developer without the

consent of any Co-Owner, mortgagee or other person and shall be evidenced by an appropriate amendment to this Master Deed and Exhibit B, recorded in the Genesee County Records.

(d) The Developer reserves the exclusive right until the lapse of the Construction and Sales Period to maintain, repair, replace, decorate, and landscape the Entranceway to the Project. The nature, extent and expense of maintenance, repair, replacement, decoration and landscaping shall be at the sole discretion of the Developer. All costs and expenses of the initial installation of decorations and landscaping shall be borne by the Developer. All costs and expenses of maintenance, repair, replacement, improvements, of decoration and landscaping after the initial installation of those improvements shall be costs and expenses of operation and administration of the Association. As used in this paragraph (d), the term "Entranceways" shall include all General Common Element roads, including but not limited to paved portions of the General Common Element roads, the road right of way, median strips and plantings and green areas located within 200 feet of the centerline of Lahrng Road.

### 6.3 Utility Easements.

- (a) The Developer also hereby reserves for the benefit of itself, its successors and assigns, perpetual easements to utilize, tap, tie into, extend and enlarge utility mains in the Condominium Premises, including, but limited to, water, gas, telephone, electrical, cable television, storm and sanitary sewer mains. In the event the Developer, its successors or assigns, utilizes, taps, ties into, extends or enlarges any utilities located on the Condominium Premises, it shall be obligated to pay all of the expenses reasonably necessary to restore the Condominium Premises to their state immediately prior to such utilization, tap, tying-in, extension or enlargement.
- (b) The Developer also hereby reserves for the benefit of itself, its successors and assigns and all future owners of contiguous property surrounding West Winds, (if any development is approved by the Township to connect to the utilities in West Winds) perpetual easements to utilize, tap, tie into, extend, and enlarge all utility mains located on the Condominium Premises, including, but not limited to, water, gas, telephone, electric, cable television, storm and sanitary sewer mains. In the event the Developer, its successors or assigns, utilizes, taps, ties into, extends or enlarges any utilities located on the Condominium Premises, it shall be obligated to pay all of the expenses reasonably necessary to restore the Condominium Premises to their state immediately prior to such utilization, tapping, tying-in, extension or enlargement. All expenses of maintenance, upkeep, repair and replacement of the utility mains described in this section shall be shared between the Association and any other person(s) on adjoining land that benefit from such utility mains by a fraction, the numerator of which is the number of Units in this Condominium and the denominator of which is comprised of the number of Units plus all other dwelling Units in any adjoining land (if any) that benefit from such utility mains. Provided, however, that the foregoing expenses are to be so paid and shared only if such expenses are not borne by a governmental agency or public utility. Provided,

further, that the expense sharing shall be applicable only to utility mains and all expenses of maintenance, upkeep, repair and replacement of utility leads shall be borne by the Association to the extent such leads are located on the Condominium and by the owner or owners of the land (if any) that is contiguous to West Winds.

- (c) The Developer hereby grants to all appropriate governmental agencies, easements for public sanitary sewer main and public water supply mains within the General Common Elements private road right of way as depicted on the Condominium Subdivision Plan for the Project. In the event a governmental agency or its designee constructs, repairs, maintains, replaces, extends or enlarges any utility within the easement granted by this paragraph, that agency shall be obligated to pay all of the expenses reasonably necessary to restore the Condominium Premises to the state immediately prior to such utilization, tapping, tying-in, extension or enlargement.

6.4 Granting Utility Rights to Agencies. The Developer reserves the right at any time until the lapse of two (2) years after the expiration of the Construction and Sales Period, and the Association shall have the right thereafter, to grant easements for utilities over, under and across the Condominium to appropriate governmental agencies or public utility companies and to transfer title of utilities to governmental agencies or to utility companies. Any easement or transfer of title may be conveyed by the Developer without the consent of any Co-Owner, mortgagee or other person and shall be evidenced by an appropriate amendment to this Master Deed and Exhibit B recorded in the Genesee County Records.

6.5 Grant of Easements by Association. The Association, acting through its lawfully constituted Board of Directors (including any Board of Directors acting prior to the Transitional Control Date) shall be empowered and obligated to grant easements, licenses, right-of-entry and rights-of-way over, under and across the Condominium Premises for utility purposes, access purposes or other lawful purposes that may be necessary for the benefit of the Condominium subject, however, to the approval of the Developer so long as the Development Sales Period has not expired.

6.6 Association Easements for Maintenance, Repair, and Replacement. The Developer, the Association, and all public or private utilities shall have such easements over, under, across and through the Condominium Premises, including all Units and Common Elements, as may be necessary to fulfill any responsibilities of maintenance, repair, decoration, replacement or upkeep which they or any of them are required or permitted to perform under the Condominium Documents or by law or to respond to any emergency or common need of the Condominium.

6.7 Telecommunications Agreements. The Association, acting through its duly constituted Board of Directors and subject to the Developer's approval during the Construction and Sales Period, shall have the power to grant easements, licenses and other rights of entry, use and access and

to enter into any contract or agreement, including wiring agreements, right-of-way agreements, access agreements and multi-unit agreements and, to the extent allowed by law, contracts for sharing of any installation or periodic subscriber service fees as may be necessary, convenient or desirable to provide for telecommunications, videotext, broadband cable, satellite dish, earth antenna and similar services (collectively "Telecommunications") to the Project of any Unit. However, the Board of Directors shall not enter into any contract or agreement or grant any easement, license or right of entry or do any other act or thing that will violate any provision of any federal, state, or local law or ordinance. Any and all sums paid by any Telecommunications or other company or entity in connection with such services, including fees, if any, for the privilege of installing same or sharing periodic subscriber service fees, shall be receipts affecting the administration of the Condominium Project within the meaning of the Act and shall be paid over to and shall be the property of the Association.

**6.8 Other Community Easements.** The Developer (of the Association after the expiration of the Construction and Sales Period) shall have the right to grant any other easements on the General Common Elements that are necessary or desirable for the development, community usage, coordinated maintenance and operation of West Winds and to confer responsibilities and jurisdiction for administration and maintenance of those easements upon the administrator of West Winds.

**6.9 Easements for Maintenance of Roads and Storm Water Management System.** The Association, the Genesee County Road Commission, the Genesee County Drain Commissioner, The Michigan Department of Environmental Quality, and Fenton Township and their respective contractors, employees, agents and assigns are hereby granted a permanent and irrevocable easement to enter onto the General Common Elements, onto each Unit services by the roads and Storm Water Management System, and into the Limited Common Elements appurtenant to those Units for the purpose of inspections, improvement, repairing, maintaining (including preventative maintenance), and/or replacing the roads and Storm Water Management System or any portion thereof. The area of the Condominium Premises that contains any part of the roads or Storm Water Management System shall be maintained in a manner so as to be accessible at all times and shall contain no structures or landscaping features that would unreasonably interfere with such access. This easement shall not be modified, amended or terminated without the consent of Fenton Township. The Developer, the Association and all other appropriate governmental agencies and bodies shall have easements for the construction, operation, administration, maintenance, repair and replacement of the Storm Water Management System over, under, across and through those portions of the Condominium Premises, including all Units and Common Elements, designated on Exhibit B hereto as storm water detention areas of easements, stormwater retention areas or easements, storm water drainage areas on easements. No Co-Owner shall modify any portion of the Storm Water Management System without the prior consent of the Board of Directors of the Association.

**6.10 School Bus and Emergency Vehicle Access Easement.** Developer reserves for the benefit of the Township, any private or public school system, and any emergency service agency an

easement over all roads in West Winds for use by the Township, private or public school busses, and/or emergency vehicles. Said easement shall be for purposes of ingress and egress to provide, without limitation, school bus services, fire and police protection, ambulances and rescue services, and other lawful governmental or private emergency services to West Winds and Co-Owners thereof. The foregoing easement shall in no way be construed as a dedication of any streets, roads, or driveways to the public, nor shall the foregoing confer upon the members of the public any right to use the easement described herein.

6.11 Association Assumption of Obligations. The Association, on behalf of the Co-Owners, shall assume and perform all of the Developer's obligations under any easement pertaining to West Winds or Common Elements upon assignment by the Developer.

6.12 Termination of Easements. Developer reserves the right to terminate and revoke any utility or other easement granted in or pursuant to this Master Deed at such time as the particular easement has become unnecessary. (This may occur, by way of illustration only, when a utility easement is relocated to coordinate development of the adjacent property.) No easement for a utility may be terminated or revoked unless and until all Units served by it are adequately served by an appropriate or replacement utility. Any termination or relocation of any such easement shall be affected by the recordation of an appropriate termination instrument or, where applicable, amendment to this Master Deed in accordance with the requirements of the Act, provided that any such amendment is first approved in writing by the Township.

## **ARTICLE VII SUBDIVISION, CONSOLIDATION AND OTHER MODIFICATIONS OF UNITS**

Units in the Condominium may be subdivided, consolidated, modified, and the boundaries relocated, in accordance with Sections 48 and 49 of the Act and this Article. The resulting changes in the affected Unit or Units shall be promptly reflected in a duly recorded amendment to this Master Deed.

Section 7.1 By Developer. Subject to approval by Fenton Township, Developer reserves the sole right during the Construction and Sales Period, without the consent of any other Co-Owner or any mortgagee of any Unit to:

- a) Subdivide Units. Subdivide or resubdivide any Units that it owns.
- b) Consolidate Contiguous Units. Consolidate under single ownership two or more contiguous Units that it owns.
- c) Relocate Boundaries. Relocate any boundaries between adjoining Units that it owns.

In connection with any subdivision, consolidation or relocation of boundaries of Units by Developer, the Developer may modify, add to or remove Common Elements, and designate or redesignate them as General or Limited Common Elements and shall reallocate the Percentages of Value in the affected Units, as required by the Act. These changes shall be given effect by an

appropriate amendment(s) to this Master Deed, which shall be prepared and recorded at the expense of the Developer.

Section 7.2 By Co-Owners. Subject to approval by Fenton Township and, during the Construction and Sales Period, the Developer, one or more Co-Owners may:

- a) Subdivision of Units. Subdivide or re-subdivide any Units that he owns upon written request and approval of the Association after the Construction and Sales Period or Developer during the Construction and Sales Period.
- b) Consolidation of Units; relocation of Boundaries. Consolidate under single ownership two or more contiguous Unit that he owns to eliminate boundaries or relocate the boundaries between those Units upon written request and approval of the Association after the Construction and Sales Period or Developer during the Construction and Sales Period.

These changes shall be given effect by an appropriate amendment(s) to this Master Deed, which shall be prepared and recorded by the Association or Developer. The Co-owner(s) requesting the changes shall bear all costs of preparation and recording of the amendment(s). The changes shall become effective upon recording of the amendment in the office of the Genesee County Register of Deeds.

7.3 Limited Common Elements. Limited Common Elements shall be subject to assignment and reassignment in accordance with Section 39 of the Act and in furtherance of the rights to subdivide, consolidate, or relocate boundaries describes in this Article 7.

7.4 Construction of Improvements on Units. Subject to the restrictions contained in the Condominium Documents, including the Rules and Regulations of the Project, as amended, a Co-Owner may construct on his Unit one single family residence. All construction shall be in accordance with and subject to the Rules and Regulations and all applicable codes, ordinances, statutes, laws, rules, regulations and private use restrictions.

## **ARTICLE VIII CONTRACTIBILITY OF CONDOMINIUM**

8.1 Limit of Unit Contraction. The Project established by this Master Deed consists of 197 Units and may, at the election of the Developer, be contracted to any number of Units Developer so desires, in Developer's sole discretion and subject to Township approval.

8.2 Withdrawal of Land. The number of Units in the Project may, at Developer's option and subject to Township approval, from time to time within a period ending not later than six years after the recording of this Master Deed, be decreased by the withdrawal of all or any portion of the lands described in Article II. However, no Unit that has been sold or is the subject of a binding purchase agreement may be withdrawn without the consent of the Co-Owner or purchaser and the mortgagee of the Unit. Developer may also, in connection with any contraction, readjust the Percentages of Value for Units in the Project in a manner that gives

reasonable recognition to the number of remaining Units, based on the method of original determination of the Percentages of Value. Other than as provided in this Section 8.2, there are no restrictions or limitations on Developer's right to withdraw lands from the Project or on the portion or portions of land that may be withdrawn, the time or order of the withdrawals, or the number of Units or Common Elements that may be withdrawn. However, the lands remaining shall not be reduced to less than that necessary to accommodate the remaining Units in the Project with reasonable access and utility service to the Units.

**8.3 Withdrawal of Lands.** If the Developer elects to withdraw or contract certain portions of the Project in accordance with this Article VIII and the Act, there is no obligation to withdraw portions of the Project in any particular order or to construct particular improvements on any withdrawn lands. Developer may, in its discretion, establish all or a portion of the lands withdrawn from the Project as a separate condominium project (or projects) or as any other form of development.

**8.4 Amendments to the Master Deed.** A withdrawal of lands from this Project by Developer will be given effect by appropriate amendments to the Master Deed which will not require the consent or approval of any Co-Owner, mortgagee, or other interested person, except for the Township, which written approval must be obtained before recording an amendment to the Master Deed. Amendments will be prepared by and at the sole discretion of Developer and may adjust the Percentages of Value assigned by Article V to preserve a total value of 100% for the entire Project resulting from any amendment.

**8.5 Additional Provisions.** Any amendments to the Master Deed made by Developer to contract the Condominium may also contain, subject to Township approval, provisions as Developer determines are necessary or desirable (i) to create easements burdening or benefiting portions or all of the parcel or parcels being withdrawn from the Project and (ii) to create or change restrictions or other terms and provisions, including designations and definition of Common Elements, affecting the parcel or parcels being withdrawn from the Project or affecting the balance of the Project, as reasonably necessary in Developer's judgment to preserve or enhance the value or desirability of the parcel or parcels being withdrawn from the Project.

## **ARTICLE IX CONVERTIBLE AREAS**

Notwithstanding any other provision in this Master Deed or the Bylaws, Developer retains and may exercise its right of convertibility in accordance with Section 31 of the Act, any applicable local ordinances and regulations, this Article IX, and subject to Township approval; such changes in the affected Units and/or Common Elements shall be promptly reflected in a duly recorded amendment or amendments to this Master Deed. Developer reserves the sole right during the Construction and Sales Period and without the consent of any other Co-Owner or any mortgagee of any Unit to do the following:

**9.1 Designation of Convertible Areas.** All Units and Common Element areas are hereby designated as "Convertible Areas" within which: (a) the individual Units may be expanded or reduced in size, otherwise modified, and/or relocated; (b) Common Elements may be constructed, expanded, or reduced in size, otherwise modified, and/or relocated. Only the Developer or such person or persons to whom it specifically assigns the rights under this Article may exercise convertibility rights hereunder.

**9.2 The Developer's Right to Modify Units and/or Common Elements.** The Developer reserves the right in Developer's sole discretion, from time to time, to enlarge, add, extend, diminish, delete, and/or relocate Units, and to construct private amenities on all or any portion or portions of the Convertible Areas. The Developer shall also be entitled to convert General Common Element areas into Limited Common Elements or Units in such areas as it, in its sole discretion, may determine. The precise number, nature, size and location of Unit and/or Common Element extensions and/or reductions and/or amenities that may be constructed and designated shall be determined by Developer in its sole judgment or any other person to whom it specifically assigns the right to make such determination subject only to necessary public agency approvals. Any private amenity other than a dwelling extension may be assigned by the Developer as a Limited Common Element appurtenant to an individual Unit.

**9.3 Additional Amenities.** The Developer may, in its sole discretion, construct various amenities including, but not limited to, an entrance gate or other limited access structure, pedestrian paths, lighting systems, or other related or similar amenities (hereinafter called the "Amenities") and hereby reserves the right to do so anywhere within the General Common Element area described on the Condominium Subdivision Plan. Developer shall pay the costs of such Amenities, if constructed pursuant to its sole election. Upon inclusion of the same in the Condominium, all Co-Owners and all future Co-Owners shall thereafter contribute to the maintenance, repair, and replacement of the Amenities as an expense of administration of the Condominium and the maintenance, repair, and replacement thereof shall be the responsibility of the Association at its expense. Developer has no obligation to construct any Amenities or include the same in the Condominium except pursuant to its absolute discretionary election to do so. Final determination of the design, layout, and location of any such Amenities, if constructed, will be at the sole discretion of the Developer. After the expiration of the Construction and Sales Period, the foregoing convertibility rights may be exercised by the Association pursuant to the affirmative vote of two-thirds (2/3) of all Co-Owners, which shall bind all Co-Owners to contribute equally to the costs of installation, maintenance, repair, and replacement of any Amenities that may be installed.

**9.4 Developer's Right to Grant Specific Right of Convertibility.** The Developer shall have the authority to assign to the Co-Owner of a particular Unit the right of future convertibility for a specific purpose. Such assignment shall be by specific written authority duly executed by the Developer prior to the completion of the Construction and Sales Period and shall be granted only at the sole discretion of the Developer

9.5 Compatibility of Improvements. All improvements constructed within the Convertible Areas described above shall be reasonably compatible with the development and structures on other portions of the Condominium Project, as determined by Developer in its sole discretion

9.6 Amendment of Master Deed. The exercise of rights of modification and/or convertibility in this Condominium Project shall be given effect by appropriate amendments to this Master Deed in the manner provided by law, which amendments shall be prepared by and at the discretion of the Developer or its assigns. The Developer shall be obligated to amend the Condominium Subdivision Plan to show all changes in the Units resulting from exercise of convertibility rights pursuant to this Article IX. The Developer shall, however, have the right to close on the sale of a Unit, notwithstanding the fact that the Unit may not conform in size and/or shape to the depiction of the Unit on the Condominium Subdivision Plan, provided that a Consolidating Master Deed depicting the modified Unit is ultimately recorded as required by the Act and this Master Deed.

9.7 Redefinition of Common Elements. Such amendments to the Master Deed shall also contain such further definitions and redefinitions of Common Elements as may be necessary to adequately describe and service the modified Units, dwellings and appurtenances being included in the Project under this Article IX. In connection with any such amendments, the Developer shall have the right to change the nature of any Common Element previously included in the Project for any purpose reasonably necessary to achieve the purposes of this Article IX. In the event a Co-Owner exercises the right of convertibility described herein subsequent to Developer's final recording of a Consolidating Master Deed or other final amendment to the Master Deed, such Co-Owner shall be responsible, at his expense, to cause the Association to prepare and record an amendment to the Master Deed depicting such changes made by Co-Owner to the Unit and/or Common Elements

9.8 Consent of Interested Persons. All of the Co-Owners and mortgagees of Units and other persons interested or to become interested in the Project from time to time shall be deemed to have irrevocably and unanimously consented to such amendments to this Master Deed as may be proposed by the Developer to effectuate the purposes of this Article IX. All such interested persons irrevocably appoint the Developer as agent and attorney for the purpose of execution of such amendments to the Master Deed and all other documents necessary to effectuate the foregoing. Such amendments may be effected without the necessity of rerecording the entire Master Deed or the Exhibits hereto and may incorporate by reference all or any pertinent portions of this Master Deed and the Exhibits hereto.

## **Article X AMENDMENT**

Section 10.1 Co-Owner Consent of Material changes. Except as otherwise specifically provided in this Master Deed or Bylaws, the Condominium Subdivision Plan may be amended, even if the amendment will materially alter or change the rights of the Co-Owners or

mortgagees, with the consent of not less than 2/3 of the votes of the Co-Owners and mortgagees. A mortgagee shall have one vote for each mortgage held. The 2/3 majority required in this Section may not be increased by the terms of the Condominium Documents, and a provision in any Condominium Document that requires the consent of a greater proportion of Co-Owners or mortgagees for the purpose described in this Section is void and is superseded by this Section. For purposes of this Section, the affirmative vote of a 2/3 of Co-Owners means 2/3 of all Co-Owners entitled to vote as of the recorded date for those votes.

Section 10.2 Amendments that Do Not Materially Affect Owners or Mortgages. The Condominium Documents may be amended by the Developer or the Association without the consent of Co-Owners or mortgagees if the amendment does not materially alter or change the rights of a Co-Owner or mortgagee. An amendment that does not materially change the rights of a Co-Owner or mortgagee includes, but is not limited to, a modification of the types and sizes of unsold Condominium Units and their appurtenant Limited Common Elements. An amendment that does not materially change the rights of a mortgagee further includes, but is not limited to, any change in the Condominium Documents that, in the written opinion of an appropriately licensed real estate appraiser, does not detrimentally change the value of any unit affected by the change.

Section 10.3 By Developer. In addition to the right of amendment provided to the Developer in the various Articles of this Master Deed, the Developer may, within two (2) years following the expiration of the Construction and Sales Period, and without the consent of any Co-Owner, mortgagee, or another person amend this Master Deed and the Condominium Subdivision Plan attached as Exhibit B in order to correct survey or other error made in such documents and to make such other amendments to such instruments and to the Bylaws attached hereto as Exhibit A that do not materially affect the rights of any Co-Owners or mortgagees in the Project, including, but not limited to, amendments for the purpose of facilitating conventional mortgage loan financing for existing or prospective Co-Owner and to enable the purchase of insurance of such mortgage loans by the Federal Home Loan Mortgage Corporation, the Federal National Mortgage Association, the Government National Mortgage Association, the Veterans Administration, or the Department of Housing and Urban Development, or by any other public or private mortgage insurer or any institutional participant in the secondary mortgage market. The Developer may amend the Master Deed, Bylaws, and Condominium Subdivision Plan in any manner and at any time without the consent of the Association, any Co-Owner, any mortgagee or any other person if the amendment is required by any governmental agency having jurisdiction over any aspect of the Project, including but not limited to amendments required by a road commission, drain commissioner or other agency for the purpose of or in connection with the dedication of General Common Elements to the public.

Section 10.4 Change in value of Vote, Maintenance Fee, and Percentage of Value. The value of the vote of any Co-Owner and the corresponding proportion of common expenses assessed against such Co-Owner shall not be modified without the written consent of such Co-

Owner and his mortgagee, nor shall the Percentage of Value assigned to any Unit be modified without such consent, except as provided in Article 7 of this Master Deed.

Section 10.5 Mortgagee Approval. Pursuant to Section 90 of the Act, the Developer hereby reserves the right, on behalf of itself and on behalf of the Association, to amend this Master Deed and the Condominium Documents without approval of any mortgagee, unless the amendment would materially alter or change the rights of a mortgagee, in which event two-thirds (2/3) of the mortgagees shall approve such amendment; provided that the rights of mortgagees to vote on any amendment to this Master Deed shall be governed and limited by the provisions of Sections 90 and 90a of the Act.

Section 10.6 Developer Approval. During the Construction and Sales Period, the Condominium Documents shall not be amended nor shall the provisions thereof be modified in any way without the prior written consent of the Developer.

Section 10.7 Township Approval. Notwithstanding any provision of the Condominium Documents to the contrary, no amendment shall be made to the Master Deed, the Bylaws, and/or the Condominium Subdivision Plan without the prior written approval of the Township.

Section 10.8 Costs. A person causing or requesting an amendment to the Condominium Documents shall be responsible for all costs and expenses of the amendment, except for amendments based upon a vote of a 2/3 majority of Co-Owners and mortgagees or based upon the advisory committee's decision, the costs of which are expenses for administration.

Section 10.9 Notice of Amendments. Co-Owners shall be notified of proposed amendments, under this section, not less than 10 days before the amendment is recorded.

## **Article XI DEVELOPER'S RIGHT TO USE FACILITIES**

The Developer, its successors and assigns, agents, representatives and employees, shall, at all times that the Developer continues to own any Units, be permitted to maintain offices, model Units, have storage areas, park and use any other facilities within West Winds; shall be permitted to engage in such other acts as it deems necessary to facilitate the development and sale of West Winds; and shall have such access to, from, and over West Winds as may be reasonable to enable the development and sale of Units in West Winds. In connection therewith, Developer shall have full and free access to all Common Elements and unsold Units.

## **ARTICLE XII TERMINATION, VACATION, REVOCATION OR ABANDONMENT**

The Condominium Project may not be terminated, vacated, revoked or abandoned without the written consent of the Developer together with 80% of the non-Developer Co-Owners.

**ARTICLE XIII  
ASSIGNMENT**

Subject to the provisions of any land contract or mortgage, any or all of the rights and powers granted or reserved to the Developer in the Condominium Documents or Bylaws, including the power to approve or disapprove any act, use, proposed action, or any other matter or thing, such assignment or transfer shall be made by appropriate instrument in writing duly recorded in the office of the Genesee County Register of Deeds.

**ARTICLE XIV  
SEVERABILITY**

If any provision of this Master Deed shall be determined to be invalid or unenforceable by a court of competent jurisdiction, such determination shall not render this entire Master Deed invalid, or unenforceable, and the provisions of this Master Deed not subject to such determination shall survive, unaffected thereby.

**ARTICLE XV  
CONTROLLING LAW**

The provisions of the Act, and of the other laws of the State of Michigan, shall be applicable to and govern this Master Deed and all activities related hereto.

**ARTICLE XVI  
EXPANDABILITY OF THE CONDOMINIUM**

Section 16.1 Future Development Area. The Project established by this Master Deed consists of condominium Units that may, at the election of Developer, be treated as the first phase of an expandable condominium under the Act to contain in its entirety a maximum of 308 Units. Additional Units, if any, will be established on all or some portion of the land described as follows:

A PARCEL OF LAND BEG S 88 DEG 20 MIN 40 SEC W 1300.01 FT FROM NE COR OF SEC TH S 01 DEG 54 MIN 23 SEC E 865.44 FT TH S 88 DEG 00 MIN 49 SEC W 460.48 FT TH N 01 DEG 59 MIN 11 SEC W 374.46 FT TH ON A CURVE TO THE LEFT CHORD= N 22 DEG 35 MIN 49 SEC W 185.16 FT TH ON A CURVE TO THE RIGHT CHORD= N 22 DEG 35 MIN 49 SEC W 138.69 FT TH N 01 DEG 59 MIN 11 SEC W 191.17 FT TH N 88 DEG 20 MIN 40 SEC E 575.70 FT TO PL OF BEG SEC 18 T5N R6E

Commonly known as: 6159 Lahring Rd., Linden, MI 48451

(the "Future Development Area").

Section 16.2 Addition of Units. The number of Units in the Project may, at the option of the Developer, from time to time within a period ending not later than six years after the initial recording of the Master Deed be increased by the addition of all or any portion of the Future Development Area and the establishment of Units in that area. Developer will determine the nature, location, size, types, and dimensions of the Units and other improvements to be located within the Future Development Area in its sole discretion. No Unit will be created within any part of the Future Development Area that is added to the Condominium that is not restricted exclusively to residential use.

Section 16.3 Expansion Not Mandatory. None of the provisions of this section will in any way obligate Developer to enlarge the Project beyond the initial phase established by this Master Deed, and Developer may, in its discretion, establish all or a portion of the Future Development Area as a separate condominium project (or projects) or as any other form of development. There are no restrictions on Developer's election to expand the Project other than those explicitly provided in this section. There is no obligation on the part of the Developer to add to the Project all or any portion of the Future Development Area nor is there any obligation to add portions in any particular order or to construct any particular improvements on the added property.

Section 16.4 Amendments to the Master Deed. An increase in the size of the Project by Developer will be given effect by an appropriate amendment or amendments to the Master Deed, which will not require the consent or approval of any Owner, mortgagee, or other interested person. Amendments will be prepared by and at the sole discretion of Developer and may proportionately adjust the Percentages of Value assigned by section 5.2 to preserve a total value of 100 percent for the entire Project. The precise determination of the readjustments in Percentages of Value (if any) will be made in the sole judgment of Developer. However, the readjustments will reflect a continuing reasonable relationship among Percentages of Value based on the original method of determining Percentages of Value for the Project.

Section 16.5 Redefinition of Common Elements. Amendments to the Master Deed made by Developer to expand the Condominium may also contain any further definitions and redefinitions of General or Limited Common Elements that Developer determines are necessary or desirable to adequately describe, serve, and provide access to the additional parcel or parcels being added to the Project. **ARTICLE I  
ASSOCIATION OF CO-OWNERS**

*Section 1.1 Formation; Membership.* West Winds (the "Condominium"), a residential condominium project located in the Township of Fenton, Genesee County, Michigan, shall be administered by the Developer and then the West Winds Homeowners Condominium Association, which shall be a non-profit corporation, hereinafter called the "Association", organized under the applicable laws of the State of Michigan. The Association shall be responsible for the management, maintenance (which term, for purposes of these Bylaws, shall also mean decoration, repair, renovation, restoration and replacement, unless otherwise specified), operation and administration of the Common Elements, easements and affairs of the Condominium Project in accordance with the Condominium Documents and the laws of the State of Michigan. These Bylaws shall constitute both the Condominium Bylaws referred to in the Master Deed and required by Section 53 of the Act and the Association Bylaws provided for under the Michigan Non-Profit Corporation Act. Each Co-Owner shall be a Member in the Association and no other person or entity shall be entitled to membership. Co-Owners are sometimes referred to as "Members" in these Bylaws. A Co-Owner's share of the Association's funds and assets cannot be assigned, pledged or transferred in any manner except as an appurtenance to his Unit. The Association shall retain in its file current copies of the Master Deed, all amendments to the Master Deed, and other Condominium Documents for the Condominium Project, all of which shall be available at reasonable hours for review by Co-Owners, prospective purchasers and prospective mortgagees of Units in the Condominium Project. All Co-Owners in the Condominium Project and all persons using or entering upon or acquiring any interest in any Units therein or the Common Elements thereof shall be subject to the provisions and terms set forth in the Condominium Documents.

*Section 1.2 Definitions.* Capitalized terms used in these Bylaws without further definition shall have the meanings ascribed to such terms in the Master Deed or the Act unless the context dictates otherwise.

*Section 1.3 Conflicts of Terms and Provisions.* In the event there exists any conflict among the terms and provisions contained within the Master Deed or these Bylaws, the terms and provisions of the Master Deed shall control.

## ARTICLE II ASSESSMENTS

*Section 2.1 Assessments Against Units and Co-Owners.* All expenses arising from the management, administration and operation of the Association in accordance with the authorizations and responsibilities prescribed in the Condominium Documents and the Act shall be levied by the Association against the Units and the Co-Owners thereof in accordance with the provisions of this Article II. The Association is not responsible to maintain any portion of those Units owned by the Developer that are unsold. In the event the Developer elects to rent a Unit while it is unsold, then Developer shall pay its proportionate share while said Unit is rented. Except for the previous sentence, the Developer is not responsible to pay any dues or assessments at any time, and is only responsible for its share of General Common area insurance.

*Section 2.2 Assessments for Common Elements.* All costs incurred by the Association to satisfy any liability or obligation arising from, caused by, or connected with the General Common Elements or the administration of the Condominium Project shall constitute expenditures affecting the administration of the Project and all sums received as the proceeds of or pursuant to any policy of insurance securing the interest of the Co-Owners against liabilities or losses arising within, caused by, or connected with the General Common Elements, the Easements, or the administration of the Condominium Project, shall constitute receipts affecting the administration of the Condominium Project, within the meaning of Section 54(4) of the Act. Additionally, all costs incurred by the Association to satisfy any liability or obligation arising from, caused by, or connected with any Limited Common Elements shall constitute expenditures the administration of the Project, and all sums received as the proceeds of, pursuant to, any policy of insurance securing the interest of the Co-Owners against liabilities or losses arising within, caused by, or connected with the Limited Common Elements shall constitute receipts affecting the administration of the Condominium Project, within the meaning of Section 54(4) of the Act, which shall be allocated only to those Units appurtenant to the applicable Limited Common Element.

*Section 2.3 Determination of Assessments.* Assessments shall be determined in accordance with the following provisions:

(a) *Budget.* The Board of Directors of the Association shall establish an annual budget ("Budget") in advance for each fiscal year and such Budget shall project all expenses for the ensuing year which may be required for the proper operation, management and maintenance of the Condominium Project. An adequate reserve fund for maintenance of the Common Elements that must be repaired or replaced on a periodic basis shall be established in the budget and must be funded by regular periodic payments as set forth in Section 2.4 below, rather than by special assessments. At a minimum, the reserve fund shall be equal to ten (10%) percent of the Association's current annual Budget on a noncumulative basis. Since the minimum standard required by this subparagraph may prove to be inadequate for the Project, the Association of Co-Owners should carefully analyze the Condominium Project to determine if a greater amount should be set aside, or if additional reserves should be established for other purposes from time to time. Upon adoption of a Budget by the Board of Directors, copies of the Budget shall be delivered to each Co-Owner and the assessment for said year shall be established based upon said Budget. The applicable semi-Annual dues as levied shall constitute a lien against all Units as of the first day of

May and the first day of November annually. Failure to deliver a copy of the Budget to each Co-Owner shall not affect or in any way diminish such lien or the liability of any Co-Owner for any existing or future dues. Should the Board of Directors at any time determine, in its sole discretion, that the dues levied are or may prove to be insufficient: (1) to pay the actual costs of the Condominium Project's operation and management, (2) to provide for maintenance of existing Common Elements, (3) to provide additions, restoration, renovation and replacement to the Common Elements not exceeding five thousand dollars (\$5,000.00) annually for the entire Condominium Project, or (4) in the event of emergencies, the Board of Directors shall have the authority to increase the general assessments and to levy such additional assessment or assessments as it shall deem to be necessary. The Board of Directors shall also have the authority, without Co-Owner or mortgagee consent, to levy assessments for repair, restoration, renovation and replacement in the event of casualty, pursuant to the provisions of Section 5.4 below. The discretionary authority of the Board of Directors to levy dues or assessments pursuant to this subparagraph shall rest solely with the Board of Directors for the benefit of the Association and its Members, and shall not be enforceable by any creditors of the Association or its Members.

(b) *Special Assessments.* Special assessments, in addition to those required in Section 2.3(a) above, may be made by the Board of Directors from time to time, subject to Co-Owner approval as hereinafter provided, to meet other needs or requirements of the Association, including, but not limited to: (1) assessments for additions to the Common Elements of a cost not exceeding five thousand dollars (\$5,000.00) for the entire Condominium Project per year, (2) assessments to purchase a Unit upon foreclosure of the lien for assessments described in Section 2.6 below, or (3) assessments for any other appropriate purpose that could not be covered by the annual assessment. Special assessments referred to in this subparagraph (b) (but not including assessments referred to in Section 2.3(a) above, which shall be levied in the sole discretion of the Board of Directors) shall not be levied without the prior approval of the Co-Owners representing sixty (60%) percent of more of all Co-Owners. The authority to levy assessments pursuant to this subparagraph is solely for the benefit of the Association and its Members and shall not be enforceable by any creditors of the Association or its Members.

(c) *Remedial Assessments.* . If any Co-Owner fails to provide proper maintenance of any Limited Common Element that is appurtenant to his Unit or any improvement within his Unit, which failure, in the reasonable opinion of the Board of Directors adversely affects the appearance of the Condominium Project as a whole, or the safety, health or welfare of the other Co-Owners of the Condominium Project, the Association may, following notice to such Co-Owner, take any actions reasonably necessary to provide such maintenance for the applicable Limited Common Element or Unit and the cost thereof shall be assessed against the Co-Owner who has the responsibility under the Master Deed or these Bylaws to maintain such Limited Common Element or Unit. The Association may also take the actions permitted under Section 4.3(b) of the Master Deed, and the cost(s) thereof shall be assessed as provided in said Section 4.3(b).

(d) *Working Capital Contribution.* Any Co-Owner who acquires a Unit from the Developer shall pay to the Association; on the date said Unit is conveyed to the Co-Owner \$300.00 plus the prorated monthly dues. The \$300.00 constitutes a one-time non-refundable contribution to the Association's working capital account.

*Section 2.4 Apportionment of Assessments and Penalty for Default.* Unless otherwise provided by these Bylaws or in the Master Deed, all dues levied against the Co-Owners to cover management, maintenance, operation and administration expenses shall be apportioned among and paid by each Co-Owners in accordance with the respective Percentages of Value allocated to each Co-Owner's Unit in Article V of the Master Deed, without adjustment for the use or non-use of any or all of the Common Elements. Semi-Annual dues determined in accordance with Section 2.3(a) above shall be paid by Co-Owners on the first day of the month commencing with the acceptance of a deed to or a land contract vendee's interest in a Unit, or with the acquisition of fee simple title to a Unit. A Co-Owner shall be in default of his dues obligations if he fails to pay any a semi-annual installment when due. A late charge not to exceed twenty-five (\$25.00) dollars per month shall be assessed automatically by the Association upon any dues and assessments in default for 30 (thirty) or more days until the assessment installments, together with the applicable late charges, are paid in full. Each Co-Owner (whether one (1) or more persons) shall be and remain personally liable for the payment of all dues and assessments (including fines for late payment and costs of collection and enforcement of payment) relating to his Unit which may be levied while such Co-Owner owns the Unit. Payments to satisfy all dues and assessments installments in default shall be applied as follows: first, to the costs of collection and enforcement of payment, including reasonable attorneys' fees; second, to any interest charges and fines for late payment on such installments; third, to the installments in default in the order of their due dates.

*Section 2.5 Waiver of Use or Abandonment of Units.* No Co-Owner may exempt himself from liability for his assessment obligations by waiving the use or enjoyment of any of the Common Elements or by abandoning his Unit.

*Section 2.6 Liens for Unpaid Assessments.* The sums assessed by the Association which remain unpaid, including but not limited to regular dues, special assessments, fines and late charges, shall constitute a lien upon the Unit or Units in the Project owned by the Co-Owner at the time of the assessment and upon the proceeds of sale of such Unit or Units. The lien upon each Condominium Unit owned by the Co-Owner shall be in the amount assessed against the Unit, plus any and all costs of collection, including attorney fees, and interest at the highest lawful rate that shall accrue from the date that the unpaid assessment was due. Any such unpaid sum shall constitute a lien against the Unit as of the first day of the month in which the dues, assessment, fine or late charge relates and shall be a lien prior to all claims except real property taxes and first mortgages of record. All charges which the Association may levy against any Co-Owner shall be deemed to be dues or assessments for purposes of this Section 2.6 and Section 108 of the Act.

*Section 2.7 Enforcement.*

(a) *Remedies.* In addition to any other remedies available to the Association, the Association may enforce the collection of delinquent dues or assessments by a suit at law or by foreclosure on the statutory lien that secures payment of assessments. In the event any Co-Owner defaults in the payment of any monthly dues installment levied against his Unit, the Association shall have the right to declare all unpaid installments of the dues or assessments immediately due and payable. A Co-Owner in default shall not be entitled to utilize any of the General Common Elements of the Project and shall not be entitled to vote at any meeting of the Association until the default is cured; provided, however, this provision shall not operate to deprive any Co-Owner of ingress or egress to and from his Unit or the dwelling or other improvements constructed thereon.

In a judicial foreclosure action, a receiver may be appointed to collect a reasonable rental for the Unit from the Co-Owner thereof or any payment or non-payment of dues or assessments in accordance with the provisions of Section 17.4 of these Bylaws. All of these remedies shall be cumulative and alternative.

(b) *Foreclosure Proceedings.* Each Co-Owner, and every other person who from time to time has any interest in the Project, shall be deemed to have granted to the Association the unqualified right to elect to foreclose the lien securing payment of assessments either by judicial action or by advertisement. The provisions of Michigan law pertaining to foreclosure of mortgages by judicial action and by advertisement, as the same may be amended from time to time, are incorporated herein by reference for the purposes of establishing the alternative procedures to be followed in lien foreclosure actions and the rights and obligations of the parties to such actions. In addition, each Co-Owner and every other person who from time to time has any interest in the Project, shall be deemed to have authorized and empowered the Association to sell or to cause to be sold the Unit with respect to which the assessment(s) is or are delinquent and to receive, hold and distribute the proceeds of such sale in accordance with the priorities established by applicable law. EACH CO-OWNER OF A UNIT IN THE PROJECT ACKNOWLEDGES THAT AT THE TIME OF ACQUIRING TITLE TO SUCH UNIT, HE WAS NOTIFIED OF THE PROVISIONS OF THIS SUBPARAGRAPH AND HE VOLUNTARILY, INTELLIGENTLY AND KNOWINGLY WAIVED NOTICE OF ANY PROCEEDINGS BROUGHT BY THE ASSOCIATION TO FORECLOSE ANY ASSESSMENT LIENS BY ADVERTISEMENT AND WAIVED THE RIGHT TO A HEARING PRIOR TO THE SALE OF THE APPLICABLE UNIT.

(c) *Notices of Action.* Notwithstanding the provisions of Section 2.7(b), the Association shall not commence a judicial foreclosure action or a suit for a money judgment or publish any notice of foreclosure by advertisement until the expiration of forty-five (45) days after mailing, by first class mail, postage prepaid, addressed to the delinquent Co-Owner at this last known address, of a written notice that one (1) or more dues or assessment installments levied against the pertinent Unit is or are delinquent and that the Association may invoke any of its remedies under these Bylaws if the default is not cured within forty-five (45) days from the date of mailing. Such written notice shall be accompanied by a written affidavit of an authorized representative of the Association that sets forth (i) the affiant's capacity to make the affidavit, (ii) the statutory and other authority for the lien, (iii) the amount outstanding (exclusive of interest, costs, attorney fees and future assessments), (iv) the legal description of the subject Unit(s) and (v) the name(s) of the Co-Owner(s) of record. Such affidavit shall be recorded in the office of the Genesee County Register of Deeds prior to the commencement of any foreclosure proceeding. If the delinquency is not cured within the forty-five (45) day period, the Association may take such remedial action as may be available to it under these Bylaws and under Michigan law. In the event the Association elects to foreclose the lien by advertisement, the Association shall notify the delinquent Co-Owner of the Association's election and shall inform him that he may request a judicial hearing by bringing suit against the Association.

(d) *Expenses of Collection.* The expenses incurred by the Association in collecting unpaid assessments, including interest at the highest lawful rate, costs, actual attorneys' fees (not limited to statutory fees) and advances for taxes or other liens paid by the Association to protect its lien, shall be chargeable to the defaulting Co-Owner and shall be secured by a lien on his Unit.

*Section 2.8 Liability of Mortgagees.* Notwithstanding any other provision of the Condominium Documents, the holder of any first mortgage covering any Unit in the Project which comes into possession of the Unit pursuant to the remedies provided in the mortgage or by deed (or assignment) in lieu of foreclosure, and any purchaser at a foreclosure sale, shall take the property free of any claims for unpaid assessment or charges against the mortgaged Unit which accrue prior to the time such holder comes into possession of the Unit.

*Section 2.9 Developer's Responsibility for Assessments.* Neither the Developer, nor any of its successors and assigns, nor any builders that purchase a Unit to construct a dwelling thereon and not reside therein (collectively, "Assignee"), although a Member of the Association, shall be responsible at any time for the payment of Association dues or assessments, except with respect to Units owned by the Developer or its Assignee which contain a completed and occupied residential dwelling. A residential dwelling is complete when it has received a certificate of occupancy or its equivalent from the Township of Fenton Building Department (or such other appropriate governmental agency), and a residential dwelling is occupied if it is being utilized as a residence. In addition, in the event Developer or its Assignee is selling a Unit which a completed residential dwelling thereon by land contract to a Co-Owner, the Co-Owner shall be liable for all assessments and the Developer or its Assignee shall not be deemed the owner of the applicable Unit and shall not be liable for any assessments levied up to and including the date, if any, upon which Developer or its Assignee actually retakes possession of the Unit following extinguishment of all rights of the land contract purchaser in the Unit. However the Developer or its Assignee shall at all times pay the maintenance expenses pertaining to the Units that it owns and still not pay dues or assessments or the Developer may maintain the Unit itself by making his own maintenance or by contracting separately with any maintenance contractor hired by the Association. In no event shall the Developer or his Assignee be responsible for assessments for deferred maintenance, reserves for maintenance, capital improvements or other special assessments, except with respect to Units that are owned by the Developer which contain completed and occupied residential dwellings. Any assessment levied by the Project Association against the Developer or his Assignee for other purposes, without the Developer's prior written consent, shall be void and of no effect. In addition, the Developer shall not be liable for any assessment levied in whole or in part to purchase any Unit from the Developer or to finance and litigation or claims against the Developer, any cost of investigating or preparing such litigation or claim, or any similar or related costs.

*Section 2.10 Property Taxes and Special Assessments.* All property taxes and special assessments levied by any public taxing authority shall be assessed in accordance with Section 131 of the Act.

*Section 2.11 Personal Property Tax Assessment of Association Property.* The Association shall be assessed as the person or entity in possession of any tangible personal property of the Condominium owned or possessed in common by the Co-Owners, and personal property taxes based thereon shall be treated as expenses of administration.

*Section 2.12 Construction Liens.* A construction lien otherwise arising under Act No 497 of the Michigan Public Acts of 1980, as amended, shall be subject to Section 132 of the Act.

*Section 2.13 Statement as to Unpaid Assessments.* The purchaser of any Unit may request a statement from the Association identifying the amount of any unpaid Association dues or special assessments relating to such Unit. Upon written request to the Association accompanied by a copy of the executed purchase agreement pursuant to which the purchaser holds the right to acquire a Unit, the Association shall provide a written statement identifying any existing unpaid dues or assessments and related collection costs, interest and fines or a written statement that none exist, which statement shall be binding upon the Association for the period stated therein. Upon the payment of the sum identified in the statement within the period identified in the statement, the Association's lien for dues or assessments as to such Unit shall be deemed satisfied; provided, however, if a purchaser fails to request such statement at least five (5) days prior to closing of the purchase of such Unit, any unpaid dues, assessments and related costs and the lien securing them shall be fully enforceable against such purchaser and the Unit itself, to the extent provided by the Act. Under the Act, unpaid dues or assessments constitute a lien upon the Unit and the sale proceeds thereof which has priority over all claims except tax liens in favor of any state or federal taxing authority and sums unpaid on a first mortgage of record except that past due assessments which are evidenced by a notice of lien, recorded pursuant to Section 2.7 have priority over a first mortgage recorded subsequent to the recording of the notice of the lien.

### **ARTICLE III ARBITRATION**

*Section 3.1 Scope and Election.* Disputes, claims or grievances arising out of or relating to the interpretation or the application of the Condominium Documents, or any disputes, claims or grievances arising among between the Co-Owners and the Association, upon the election and written consent of the parties to any such disputes, claims or grievances (which consent shall include an agreement of the parties that the judgment of any circuit court of the State of Michigan may be rendered upon any award pursuant to such arbitration), and upon written notice to the Association, shall be submitted to arbitration, and the parties shall accept the arbitrator's decision as final and binding, provided that no question affecting the claim of title of any person to any fee or life estate in real estate is involved. The Commercial Arbitration Rules of the American Arbitration Association as amended and in effect from time to time shall be applicable to any such arbitration.

*Section 3.2 Judicial Relief.* In the absence of the election and written consent of the parties pursuant to Section 3.1 above, any Co-Owner or the Association may petition the courts to resolve any disputes, claims or grievances.

*Section 3.3 Election of Remedies.* The election and written consent by the disputing parties to submit any dispute, claim or grievance to arbitration shall preclude such parties from thereafter litigating such dispute, claim or grievance in the courts. Nothing contained in this Article III shall limit the rights of the Association or any Co-Owner, described in Section 144 of the Act.

**ARTICLE IV  
INSURANCE**

*Section 4.1 Extent of Coverage.* The Association shall carry vandalism and malicious mischief and liability insurance, and workmen's compensation insurance, if applicable, for the General Common Elements of the Condominium Project, as set forth below, and such insurance, other than title insurance, shall be carried and administered in accordance with the following provisions:

(a) *Responsibilities of Co-Owners and the Association.* All such insurance shall be purchased by the Association for the benefit of the Association, and the Co-Owners and their mortgagees, as their interests may appear, and provision shall be made for the issuance of certificates of mortgagee endorsements to the mortgagees of Co-Owners. Each Co-Owner should obtain insurance coverage at his own expense upon his Unit. It shall be each Co-Owner's responsibility to determine by personal investigation or from his own insurance advisors the nature and extent of insurance coverage adequate to his needs and thereafter or obtain insurance coverage for his personal property and for everything related to the dwelling including the exterior and interior or the dwelling (as referred to in subsection(b) below) located within his Unit or elsewhere on the Condominium and for his personal liability for occurrences within his Unit or upon Limited Common Elements appurtenant to his Unit, and also for alternative living expense in the event of fire, and the Association shall have absolutely no responsibility for obtaining such coverages. In the event a Co-Owner should allow their insurance to lapse then the Association shall have the option of paying for said insurance and adding it to the Co-Owners dues. The Association, as to all policies which it obtains, and all Co-Owner's, as to all policies which they obtain, shall use their best efforts to see that all property and liability insurance carried by the Association or any Co-Owner shall contain appropriate provisions whereby the insurer waives its right of subrogation as to any claims against any Co-Owner or the Association.

(b) *Insurance of Common Elements.* All General Common Elements of the Condominium Project shall be insured against liability, and shall exclude sewers, roads and excavation costs if these General Common Elements are damaged. All information in the Association's records regarding insurance coverage shall be made available to all Co-Owners upon request and reasonable notice during normal business hours so that Co-Owners shall be enabled to judge the adequacy of coverage and, upon the taking of due Association procedures, to direct the Board at a properly constituted meeting to change the nature and extent of any applicable coverages, if so determined. Upon such annual re-evaluation and effectuation of coverage, the Association shall notify all Co-Owners of the nature and extent of all changes in coverages. It shall be each Co-Owner's responsibility to determine the necessity for and to obtain insurance coverage for the exterior and interior of his dwelling and the Limited Common area of his Unit and the Association shall have no responsibility whatsoever for obtaining such coverage unless agreed specifically and separately between the Association and the Co-Owner in writing.

(c) *Premium Expenses.* All premiums on insurance purchased by the Association pursuant to these Bylaws shall be expenses of administration.

(d) *Proceeds of Insurance Policies.* Proceeds of all insurance policies owned by the Association shall be received by the Association, held in a separate bank account and

distributed to the Association and the Co-Owners and their mortgagees, as their interests may appear; provided, however, whenever repair or reconstruction of the Condominium shall be required as provided in Article V of these Bylaws, the proceeds of any insurance received by the Association as a result of any loss requiring repair or reconstruction shall be applied for such repair or reconstruction.

*Section 4.2 Authority of Association to Settle Insurance Claims.* Each Co-Owner, by ownership of a Unit in the Condominium Project, shall be deemed to appoint the Association as his true and lawful attorney-in-fact to act in connection with all matters concerning vandalism and malicious mischief, liability insurance and workmen's compensation insurance, if applicable, pertinent to the Condominium Project and the General Common Elements appurtenant thereto, which such insurer as may, from time to time, provide such insurance for the Condominium Project. Without limitation on the generality of the foregoing, the Association, as said attorney shall have full power and authority to purchase and maintain such insurance, to collect and remit premiums therefor, to collect proceeds and to distribute the same to the Association, the Co-Owners and respective mortgagees, as their interests may appear (subject always to the Condominium Documents), to execute releases of liability and to execute all documents and to do all things on behalf of such Co-Owner and the Condominium as shall be necessary or convenient to the accomplishment of the foregoing.

## ARTICLE V MAINTENANCE

*Section 5.1 Responsibility for Reconstruction or Repair.* If any part of the Condominium Premises shall be damaged, the determination of whether or not it shall be reconstructed or repaired, and the responsibility therefor, shall be as follows:

(a) *Partial Damage.* If the damaged property is a Limited Common Element, the property shall be rebuilt as soon as reasonably possible.

(b) *Total Destruction.* If the Condominium is so damaged that no dwelling is tenable all Units must be rebuilt.

*Section 5.2 Repair in Accordance with Plans and Specifications.* Any such reconstruction or repair shall be substantially in accordance with the Master Deed and the plans and specification for the Project to a condition as comparable as possible to the condition existing prior to damage.

*Section 5.3 Co-Owner Responsibility for Repair.*

(a) *Definition of Co-Owner Responsibility.* If the damage is only to a part of the dwelling which is the responsibility of a Co-Owner to maintain, repair and replace, it shall be the responsibility of the Co-Owner to maintain, repair and replace such damage in accordance with the subsection (b) hereof.

(b) *Damage to Interior and Exterior of Dwelling.* Each Co-Owner shall be responsible for the maintenance, repair and replacement for everything related to the dwelling including the exterior and including such attachments to such structures as insulation, wiring,

drywall and everything else that is interior, of the contents of his Unit, including, but not limited to, floors, floor coverings, wall coverings, window shades, draperies, interior walls, interior trim, furniture, light fixtures and all appliances, whether free-standing or built-in.

*Section 5.4 Association Responsibility for Repair.* Except as otherwise proved in the Master Deed and in Section 3 hereof, the Association shall be responsible for the reconstruction, repair and maintenance of the General Common Elements including the sprinkler system, if any. Immediately after a casualty causing damage to property for which the Association has the responsibility of maintenance, repair and reconstruction, the Association shall obtain reliable and detailed estimates of the cost to replace the damaged property in a condition as good as that existing before the damage. If the proceeds of insurance are not sufficient to defray the estimated costs of reconstruction or repair required to be performed by the Association, or if at any time during such reconstruction or repair, or upon completion of such reconstruction or repair, the funds for the payment of the cost thereof are insufficient, assessment shall be made against all Co-Owners for the cost of reconstruction or repair of the damaged property in sufficient amounts to provide funds to pay the estimated or actual cost of repair. This provision shall not be construed to require replacement of mature trees and vegetation with equivalent trees or vegetation.

*Section 5.5 Timely Reconstruction and Repair.* If damage to General Common Elements or a dwelling adversely affects the appearance of the Project, the Association or Co-Owner responsible for the reconstruction, repair and maintenance thereof shall proceed with replacement of the damaged property without delay, and shall complete such replacement within a reasonable time thereafter using its or his best efforts, after the date of the occurrence which caused damage to the property.

*Section 5.6 Eminent Domain.* Section 133 of the Act and the following provisions shall control in the event all or a portion of the Project is subject to eminent domain:

(a) *Taking of a Unit or Related Improvements.* In the event all or a portion of a Unit are taken by eminent domain, the award for such taking shall be paid to the Co-Owner of such Unit and the mortgagee thereof, as their interest may appear, notwithstanding any provision of the Act to the contrary. If the entire Unit is taken by eminent domain, on the acceptance of such award by the Co-Owner and his mortgagee, they shall be divested of all interest in the Condominium Project. In the event that any condemnation award shall become payable to any Co-Owner whose Unit is not wholly taken by eminent domain, then such award shall be paid by the condemning authority to the Co-Owner and his mortgagee, as their interests may appear.

(b) *Taking of General Common Elements.* If there is any taking of any portion of the Condominium other than any Unit, the condemnation proceeds relative to such taking shall be paid to the Co-Owners and their mortgagees in proportion to their respective interests in the Common Elements and the affirmative vote of more than 50% of the Co- Owners in number and in value with the prior written approval of the Township of Fenton, shall determine whether to rebuild, repair or replace the portion so taken or to take such other action as they deem appropriate.

(c) *Continuation of Condominium After Taking.* In the event the Condominium Project continues after taking by eminent domain, then the remaining portion of the Condominium Project shall be resurveyed and the Master Deed amended accordingly, and, if any Unit shall have

been taken, then Article V of the Master Deed shall also be amended to reflect such taking and to proportionately readjust the percentages of value of the remaining Co-Owners based upon the continuing value of the Condominium of 100%. Such amendment may be effected by an officer of the Association duly authorized by the Board of Directors without the necessity of execution or specific approval thereof by any Co-Owner. Costs incurred to accomplish matters required by this subsection shall be borne by the Association.

(d) Notification of Mortgagees. In the event of any Unit in the Condominium, or any portion thereof, or the Common Elements or any portion thereof, is made the subject matter of any condemnation or eminent domain proceeding or is otherwise sought to be acquired by a condemning authority, the Association promptly shall so notify each institutional holder of a first mortgage lien on any of the Units in the Condominium.

(d) Applicability of the Act. To the extent not inconsistent with the foregoing provisions, Section 133 of the Act shall control upon any taking by eminent domain.

*Section 5.7 Notification of FHLMC.* In the event any mortgage in the Condominium is held by the Federal Home Loan Mortgage Corporation ("FHLMA"), or the Federal National Mortgage Association ("FNMA"), the Government National Mortgage Association ("GNMA"), the Michigan State Housing Development Authority ("MSHDA"), or insured by the Veterans Administration ("VA"), Department of Housing and Urban Development ("HUD"), Federal Housing Association ("FHA") or any private or public mortgage insurance program, then the Association shall give the aforementioned parties written notice at such address as they may, from time to time, direct of any loss to or taking of the Common Elements of the Condominium if the loss or taking exceeds \$10,000 in the amount or damage to a Condominium Unit covered by a mortgage purchased held or insured by them exceeds \$1,000.

*Section 5.8 Priority of Mortgage Interests.* Nothing contained in the Condominium Documents shall be constructed to give a Condominium Unit owner or any other party priority over any rights of first mortgagees of Condominium Units pursuant to their mortgages in the case of a distribution to Condominium Unit owners of insurance proceeds or condemnation awards for losses to or a taking of Condominium units and/or Common Elements.

## ARTICLE VI MORTGAGES

*Section 6.1 Notice to Association.* Any Co-Owner who mortgages his Unit shall notify the Association of the name and address of the mortgagee, and the Association shall maintain such information in a book entitled "Mortgages of Units". The Association may, at the written request of a mortgagee of any such Unit, report any unpaid assessments due from the Co-Owner of such Unit. The Association shall give to the holder of any first mortgage covering any Unit written notification of any default in the performance of the obligations of the Co-Owner of such Unit that is not cured within 60 days.

*Section 6.2 Insurance.* The Association shall maintain records concerning insurance coverage for each Unit. Co-Owners shall cause their mortgage companies to be additional insureds on their policies.

*Section 6.3 Notification of Meetings.* Upon request submitted to the Association, any institutional holder of a first mortgage lien on a Unit shall be entitled to receive written notification of every meeting of the Members of the Association and to designate a representative to attend such meeting.

## ARTICLE VII VOTING

*Section 7.1 Vote.* Except as otherwise specified in these Bylaws, each Co-Owner shall be entitled to one vote for each Condominium Unit owned.

*Section 7.2 Eligibility to Vote.* No Co-Owner, other than the Developer, shall be entitled to vote at any meeting of the Association until he has presented to the Association evidence that the Co-Owner owns a Unit. Except as provided in Section 10.2 of these Bylaws, no Co-Owner, other than the Developer, shall be entitled to vote prior to the date of the First Annual Meeting of Members held in accordance with Section 10.2. The vote of each Co-Owner may be cast only by the individual representative designated by such Co-Owner in the notice required in Section 7.3 below or by a proxy given by such individual representative. The Developer shall be the only person entitled to vote at a meeting of the Association until the First Annual Meeting of Members and shall be entitled to vote during such period notwithstanding the fact that the Developer may own no Units at some time or from time to time during such period. At the First Annual Meeting, and thereafter, the Developer or his Assignee shall be entitled to vote for each Unit which it owns.

*Section 7.3 Designation of Voting Representative.* Each Co-Owner shall file with the Association a written notice designating the individual representative who shall vote at meetings of the Association and receive all notices and other communications from the Association on behalf of the Co-Owner. If a Co-Owner designates himself as the individual representative, he need not file any written notice with the Association. The failure of any Co-Owner to file any written notice shall create a presumption that the Co-Owner has designated himself as the voting representative. The notice shall state the name and address of the individual representative designated, the address of the Unit or Units owned by the Co-Owner and the name and address of each person, firm, corporation, partnership, association, trust or other entity who is the Co-Owner. The notice shall be signed and dated by the Co-Owner. An individual representative may be changed by the Co-Owner at any time by filing a new notice in accordance with this Section 7.3. In the event a Unit is owned by multiple Co-Owners who fail to designate an individual voting representative for such Co-Owners, the Co-Owner whose name first appears on record title shall be deemed to be the individual representative authorized to vote on behalf of all the multiple Co-Owners of the Unit(s) and any vote cast in person or by proxy by said individual representative shall be binding upon all such multiple Co-Owners.

*Section 7.4 Quorum.* The presence in person or by proxy of Co-Owners representing thirty five (35%) percent of the total number of votes of all Co-Owners qualified to vote shall constitute a quorum for holding a meeting of the Members of the Association, except for voting on questions specifically required by the Condominium Documents to require a greater quorum. The written vote of any person furnished at or prior to any duly called meeting at which said person is not

otherwise present in person or by proxy shall be counted in determining the presence of a quorum with respects to the question upon which the vote is cast.

*Section 7.5 Voting.* Votes may be cast in person or by proxy by a writing duly signed by the designated voting representative not present at a given meeting in person or by proxy. Proxies and any written votes must be filed with the secretary of the Association at or before the appointed time of each meeting of the Members of the Association. Cumulative voting shall not be permitted.

*Section 7.6 Majority.* When an action is to be authorized by vote of the Co-Owners of the Association, the action must be authorized by a majority of the votes cast at a meeting duly called for such purpose, unless a greater percentage vote is required by the Master Deed, these Bylaws or the Act.

## ARTICLE VIII MEETINGS

*Section 8.1 Place of Meeting.* Meetings of the Association shall be held at the principal office of the Association or at such other suitable place convenient to the Co-Owners as may be designated by the Board of Directors. Meetings of the Association shall be conducted in accordance with generally recognized rules of parliamentary procedure, which are not in conflict with the Condominium Documents or the laws of the State of Michigan.

*Section 8.2 First Annual Meeting.* The First Annual Meeting of Members of the Association may be convened by the Developer in its discretion at any time prior to the date the First Annual Meeting is required to be convened pursuant to this Section 8.2. Notwithstanding the foregoing, the First Annual Meeting must be held (i) within one hundred twenty (120) days following the conveyance of legal or equitable title to non-Developer Co-Owners of seventy five (75%) percent of all Units that may be created; or (ii) fifty four (54) months from the first conveyance to a non-Developer Co-Owner of legal or equitable title to a Unit, whichever is the earlier to occur. The Developer may call meetings of Members for informative or other appropriate purposes prior to the First Annual Meeting of Members and no such meetings shall be construed as the First Annual Meeting of Members. The date, time and place of such meeting shall be set by the Board of Directors, and at least ten (10) days written notice thereof shall be given to each Co-Owner's individual representative.

*Section 8.3 Annual Meetings.* Annual meetings of Association Members shall be held not later than June 30 of each succeeding year following the year in which the First Annual Meeting is held, or at another time and place determined by the Board of Directors. At each annual meeting, the Co-Owners shall elect Members of the Board of Directors in accordance with Article X of these Bylaws. The Co-Owners may also transact at annual meetings such other Association business as may properly come before them.

*Section 8.4 Special Meeting.* The President shall call a special meeting of Members as directed by resolution of the Board of Directors or upon presentation to the Association's Secretary of a petition signed by Co-Owners representing 1/2 of the votes of all Co-Owners qualified to vote. Notice of any special meeting shall state the time and place of such meeting and the purposes thereof. No business shall be transacted at a special meeting except as stated in the notice.

*Section 8.5 Notice of Meetings.* The Secretary (or other Association officer in the Secretary's absence) shall provide each Co-Owner of record, or, if applicable, a Co-Owner's individual representative, with notice of each annual or special meeting, stating the purpose thereof and the time and place where it is to be held. A notice of an annual or special meeting shall be served at least ten (10) days but not more than sixty (60) days prior to each meeting. The mailing, postage prepaid, of a notice to the individual representative of each Co-Owner at the address shown in the notice filed with the Association under Section 7.3 of these Bylaws shall be deemed properly served. Any Co-Owner or individual representative may waive such notice, by filing with the Association a written waiver of notice signed by such Co-Owner or individual representative.

*Section 8.6 Adjournment.* If any meeting of Co-Owners cannot be held because a quorum is not in attendance, the Co-Owners who are present may adjourn the meeting to a time not less than forty eight (48) hours from the time the original meeting was called. When a meeting is adjourned to another time or place, it is not necessary to give notice of the adjourned meeting if the time and place to which the meeting is adjourned are announced at the meeting at which the adjournment is taken and only such business is transacted at the adjourned meeting as might have been transacted at the original meeting. However, if after the adjournment, the Board of Directors fixes a new record date for the adjourned meeting, a notice of adjourned meeting shall be given to each Co-Owner or Co-Owner's individual representative.

If a meeting is adjourned in accordance with the provisions of this Section 8.6 due to the lack of a quorum, the required quorum at the subsequent meeting shall be two thirds (2/3) of the required quorum for the meeting that was adjourned, provided that the Board of Directors provides each Co-Owner (or Co-Owner's individual representative) with notice of the adjourned meeting in accordance with Section 8.5 above and provided further the subsequent meeting is held within sixty (60) days from the date of the adjourned meeting.

*Section 8.7 Action Without Meeting.* Any action required or permitted to be taken at a meeting of the Co-Owners may be taken without a meeting, without prior notice, and without a vote in accordance with this Section. If the Association's Article of Incorporation so provide, any action required or permitted to be taken at any meeting of Members may be taken without a meeting, without prior notice and without a vote, if a written consent, setting forth the actions so taken, is signed by the Co-Owners (or their individual representatives) having not less than the minimum number of votes that would be necessary to authorize or take the action at a meeting at which all Co-Owners entitled to vote thereon were present and voted. Prompt notice of any action that is taken without a meeting by less than unanimous written consent shall be given to the Co-Owners who have not consented in writing.

## **ARTICLE IX ADVISORY COMMITTEE**

Within one (1) year after the first conveyance to a non-Developer Co-Owner of legal or equitable title to a Unit in the Project or within one hundred twenty (120) days following the conveyance to non-Developer Co-Owners of one-third (1/3) of the total number of Units that may be created, whichever first occurs, the Developer shall cause to be established an Advisory Committee consisting of at least three (3) non-Developer Co-Owners. The Committee shall be

established in any manner the Developer deems advisable. The purpose of the Advisory Committee shall be to facilitate communications between the temporary Board of Directors and the non-Developer Co-Owners and to aid in the transition of control of the Association from the Developer to purchaser Co-Owners. The Advisory Committee shall automatically cease to exist when a majority of the Board of Directors of the Association is elected by non-Developer Co-Owners. The Developer may at any time remove and replace at its discretion any member of the Advisory Committee.

## ARTICLE X BOARD OF DIRECTORS

*Section 10.1 Number and Qualification of Directors.* The Board of Directors shall initially be comprised of three (3) Directors. At such time as the non-Developer Co-Owners are entitled to elect two (2) Members of the Board of Directors in accordance with Section 10.2 below, the Board shall automatically be increased in size from three (3) to five (5) persons. At such time as the Board of Directors is increased in size to (5) persons, all Directors must be Co- Owners, or officers, partners, trustees or employees of Co-Owners that are entities.

*Section 10.2 Election of Directors.*

(a) *First Board of Directors.* Until such time as the non-Developer Co-Owners are entitled to elect one (1) of the Members of the Board of Directors, the Developer shall select all of the Directors, which persons may be removed or replaced by Developer in its discretion.

(b) *Appointment of Non-Developer Co-Owners to Board prior to First Annual Meeting.* Not later than one hundred twenty (120) days following the conveyance to non-Developer Co-Owners of legal or equitable title to twenty five (25%) percent of the Units that may be created, one (1) Member of the Board of Directors shall be elected by non-Developer Co-Owners. The remaining Members of the Board of Directors shall be selected by Developer. Not later than one hundred twenty (120) days following the conveyance to non-Developer Co-Owners of legal or equitable title to fifty (50%) percent of the Units that may be created, the Board of Directors shall be increased to five (5) Members and two (2) of the five (5) Directors shall be elected by non-Developer Co-Owners. The remaining Members of the Board of Directors shall be selected by the Developer. When the required percentage levels of conveyance have been reached, the Developer shall notify the non-Developer Co-Owners and request that they hold a meeting to elect the required number of Directors. Upon certification by the Co-Owners to the Developer of the Director or Directors elected, the Developer shall immediately appoint such Director or Directors to the Board, to serve until the First Annual Meeting of Co-Owners, unless he is removed pursuant to Section 10.7 or he resigns or becomes incapacitated.

(c) *Election of Directors at and after First Annual Meeting*

(i) Not later than one hundred twenty (120) days following the conveyance to non-Developer Co-Owners of legal or equitable title to seventy five (75%) percent of the Units that may be created, the non-Developer Co- Owners shall elect all of the Directors on the Board, except that the Developer shall have the right to designate at least one (1) Director so long as the Developer owns and offers for sale at least ten (10%) percent of the Units in the Project or as long

as the Units that remain to be created and sold equal at ten (10%) percent of all Units that may be created in the Project. Whenever the seventy five (75%) percent conveyance level is achieved, a meeting of Co-Owners shall promptly be convened to effectuate this provision, even if the First Annual Meeting has already occurred.

(ii) Regardless of the percentage of Units which have been conveyed, upon the elapse of fifty four (54) months after the first conveyance to a non-Developer Co-Owner of legal or equitable title to a Unit on the Project, and if title to not less that seventy five (75%) percent of the Units that may be created has not been conveyed, the non-Developer Co-Owners have the right to elect a number of Members of the Board of Directors in proportion to the percentage of Units they own, and the Developer has the right to elect a number of Members of the Board of Directors in proportion to the percentage of Units which are owned by the Developer and for which assessments are payable by the Developer. This election may increase, but shall not reduce, the minimum election and designation rights otherwise established in Section 10.2(b) or 10.2(c)(i) above. Application of this subsection does not require a change in the size of the Board of Directors.

(iii) If the calculation of the percentage of Members of the Board of Directors that the non-Developer Co-Owners have the right to elect under subsection (ii) above, or if the product of the number of Members of the Board of Directors multiplied by the percentage of Units held by the non-Developer Co-Owners under subsection (b) results in a right of non-Developer Co-Owners to elect a fractional number of Members of the Board of Directors, then a fractional election right of 0.5 or greater shall be rounded up to the nearest whole number, which number shall be the number of Members of the Board of Directors that the non-Developer Co-Owners have the right to elect. After application of this formula, the Developer shall have the right to elect the remaining Members of the Board of Directors. Application of this subsection shall not eliminate the right of the Developer to designate one (1) director as provided in subsection (i) above.

(iv) At such time as the non-Developer Co-Owners are entitled to elect all of the Directors, three (3) Directors shall be elected for a term of two (2) years and two (2) Directors shall be elected for a term of one (1) year. At such meeting, all nominees shall stand for election as one (1) slate and the three (3) persons receiving the highest number of votes shall be elected for a term of two (2) years and the two (2) persons receiving the next highest number of votes shall be elected for a term of one (1) year. At each annual meeting held thereafter, either two (2) or three (3) Directors shall be elected depending upon the number of Directors whose terms expire, and the term of office of each Director shall be two (2) years. The Directors shall hold office until their successors have been elected and hold their first meeting.

*Section 10.3 Powers and Duties.* The Board of Directors shall have the powers and duties necessary for the administration of the affairs of the Association and may do all acts and things as are not prohibited by the Condominium Documents or specifically required to be exercised and done by the Co-Owners.

*Section 10.4 Specific Powers and Duties.* In addition to the duties imposed by these Bylaws or any further duties which may be imposed by resolution of the Co-Owners of the Association, the Board of Directors shall have the following powers and duties:

(a) To manage and administer the affairs of and maintain the Condominium Project, the Common Elements and such easements as may comprise General Common Elements of the Condominium.

(b) To collect assessments from the Co-Owners and to expend the proceeds for the purposes of the Association.

(c) To carry insurance and collect and allocate the proceeds thereof:

(d) To reconstruct or repair improvements after casualty.

(e) To contract for and employ persons, firms, corporations or other agents to assist in the management, operation, maintenance and administration of the Condominium Project.

(f) To acquire, maintain and improve; and to buy, operate, manage, sell, convey, assign, mortgage or lease any real or personal property (including any Unit in the Condominium and easements, rights-of-way and licenses) on behalf of the Association in furtherance of any of the purposes of the Association.

(g) To borrow money and issue evidences of indebtedness in furtherance of any or all of the purposes of the Association, and to secure the same by mortgage, pledge, or other lien, on property owned by the Association; provided, however, that any such action shall also be approved by the affirmative vote of the Co-Owners (or their individual representatives) representing 75% of the total votes of all Co-Owners qualified to vote.

(h) To establish reasonable rules and regulations in accordance with the Condominium Documents.

(i) To establish such committees as the Board of Directors deems necessary, convenient or desirable and to appoint persons thereto for the purpose of implementing the administration of the Condominium and to delegate to such committees any functions or responsibilities which are not by law or the Condominium Documents required to be exclusively performed by the Board.

(j) To enforce the provisions of the Condominium Documents.

*Section 10.5 Management Agent.* The Board of Directors may employ for the Association a professional management agent (which may include the Developer or any person or entity related thereto) at a reasonable compensation established by the Board to perform such duties and services as the Board shall authorize including, but not limited to, the duties listed in Sections 10.3 and 10.4, and the Board may delegate to such management agent any other duties or powers which are not by law or by the Condominium Documents required to be exclusively performed by or have the approval of the Board of Directors or the Members of the Association.

*Section 10.6 Vacancies.* Vacancies in the Board of Directors which occur after the Transitional Control Date caused by any reason other than the removal of a Director by vote of the Co-Owners of the Association shall be filled by vote of the majority of remaining Directors, even though they may constitute less than a quorum, except that the Developer shall be solely entitled to fill the vacancy of any Director whom it is permitted in the first instance to designate. Each person so elected shall be a Director until a successor is elected at the next annual meeting of the Association. Vacancies among non-Developer Co-Owner elected Directors which occur prior to the Transitional Control Date may be filled only through election by non-Developer Co-Owners and shall be filled in the manner as specified in Section 10.2(b).

*Section 10.7 Removal.* At any regular or special meeting of the Association duly called with due notice of the removal action proposed to be taken, any one (1) or more of the Directors elected by the non-Developer Co-Owners may be removed with or without cause by the affirmative vote of the Co-Owners (or their individual representatives) who represent greater than fifty (50%) percent of the total votes of all Co-Owners qualified to vote, and a successor may then and there be elected to fill any vacancy thus created. Any Director whose removal has been proposed by a Co-Owner shall be given an opportunity to be heard at the meeting. The Developer may remove and replace any or all of the Directors selected by it at any time or from time to time in its sole discretion. Any Director selected by the non-Developer Co-Owners to serve before the First Annual Meeting may also be removed by such Co-Owners before the First Annual Meeting in the manner described in this Section 10.7.

*Section 10.8 First Meeting.* The first meeting of the elected Board of Directors shall be held within ten (10) days of election at a time and place fixed by the Directors at the meeting at which such Directors were elected, and no notice shall be necessary in order to legally convene such meeting, provided a majority of the Board shall be present.

*Section 10.9 Regular Meetings.* Regular meeting of the Board of Directors may be held at such time and places as shall be determined from time to time by a majority of the Directors, but at least two (2) such meetings shall be held during each fiscal year of the Association. Notice of regular meetings of the Board of Directors shall be given to each Director, personally, by mail, telephone, email, or telegraph at least ten (10) days prior to the date named for such meeting.

*Section 10.10 Special Meetings.* Special meetings of the Board of Directors may be called by the President on three (3) days' notice to each Director, given personally, by mail, telephone, email, or telegraph, which notice shall state the time, place and purpose of the meeting. Special meetings of the Board of Directors shall be called by them President or Secretary in like manner on the written request of two (2) or more directors.

*Section 10.11 Quorum and Required Vote of Board of Directors.* At all meeting of the Board of Directors, a majority of the Members of the Board of Directors then in office shall constitute a quorum. The vote of the majority of Directors at a meeting at which a quorum is present constitutes the action of the Board of Directors, unless a greater plurality is required by the Michigan Non-profit Corporation Act, the Articles of Incorporation, the Master Deed or these Bylaws. If a quorum is not present at any meeting of the Board of Directors, the Directors present at such meeting may adjourn the meeting from time to time without notice other than an announcement at the meeting, until the quorum shall be present.

*Section 10.12 Consent in Lieu of Meeting.* Any action required or permitted to be taken at a meeting of the Board of Directors may be taken without a meeting if all Members of the Board of Directors consent in writing. The written consent shall be filed with the minutes of the proceedings of the Board of Directors. The consent has the same effect as a vote of the Board of Directors for all purposes.

*Section 10.13 Participation in a Meeting by Telephone.* A Director may participate in a meeting by means of a conference telephone or similar communications equipment by means of which all persons participating in the meeting can hear each other. Participation in a meeting pursuant to this Section 10.13 constitutes presence at the meeting.

*Section 10.14 Fidelity Bonds.* The Board of Directors may require that all officers and employees of the Association handling or responsible for Association funds furnish adequate fidelity bonds. The premiums on such bonds shall be expenses of administration.

*Section 10.15 Compensation.* The Board of Directors shall not receive any compensation for rendering services in their capacity as Directors, unless approved by the Co-Owners (or their individual representatives) who represent sixty (60%) percent or more of the total votes of all Co-Owners qualified to vote.

## **ARTICLE XI OFFICERS**

*Section 11.1 Selection of Officers* The Board of Directors, at a meeting called for such purpose, shall appoint a president, secretary and treasurer. The Board of Directors may also appoint one (1) or more vice-presidents and such other officers, employees and agents as the Board shall deem necessary, which officers, employees and agents shall hold their offices for such terms and shall exercise such powers and perform such duties as shall be determined from time to time by the Board of Directors. Two (2) or more offices, except that of president and vice-president, may be held by one (1) person who may also be a Director. An officer shall be a Co-Owner.

Any vacancy occurring in any office may be filled by the Board of Directors.

*Section 11.3 President.* The President shall be a Member of the Board of Directors and shall act as the chief executive officer of the Association. The President shall preside at all meetings of the Association and of the Board of Directors. *Section 11.4 Vice President.* The Vice President shall take the place of the President and perform his duties whenever the President shall be absent or unable to act. If neither the President

The Vice President shall also perform such other duties as shall from time to time be imposed upon him by the Board of Directors. The Vice President's initial term shall be for one year.

*Section 11.5 Secretary.* The Secretary shall keep the minutes of all meetings of the Board of Directors and the minutes of all meeting of the Co-Owners of the Association. The Secretary's initial term shall be for two years.

*Section 11.6 Treasurer.* The Treasurer shall have responsibility for the Association funds and securities and shall be responsible for keeping full and accurate accounts of all receipts and disbursements in books belonging to the Association. He shall be responsible for the deposit of all monies and other valuable effects in the name and to the credit of the Association, in such depositories as may, from time to time, be designated by the Board of Directors. The Treasurer's initial term shall be for one year.

## ARTICLE XII SEAL

The Association may (but need not) have a seal. If the Board determines that the Association shall have a seal, then it shall have inscribed thereon the name of the Association, the words "corporate seal", and "Michigan".

## ARTICLE XIII FINANCE

*Section 13.1 Records.* The Association shall keep detailed books of account showing all expenditures and receipts of administration which shall specify the maintenance and repair expenses of the Common Elements and any other expenses incurred by or on behalf of the Association and the Co-Owners. Such accounts and all other Association records shall be open for inspection by the Co-Owners and their mortgagees during reasonable working hours. The Association shall prepare and distribute to each Co-Owner at least once a year a financial statement, the contents of which shall be determined by the Association. If the Association has annual revenues greater than \$20,000.00, the Association shall, on an annual basis, have its books, records, and financial statements independently audited or reviewed by a certified public accountant. The Association may opt out of the requirement to have its books, records, and financial statements independently audited or reviewed by a certified public accountant by an affirmative vote of a majority of its members. Upon request, any institutional holder of a first mortgage lien on any Unit in the Condominium shall be entitled to receive a copy of such annual audited financial statement (if any) within ninety (90) days following the end of the Association's fiscal year. The costs of any such audit and any accounting expenses shall be expenses of administration.

*Section 13.2 Fiscal Year.* The fiscal year of the Association shall be an annual period commencing on the date initially determined by the Directors. The Association's fiscal year may be changed by the Board of Directors in its discretion.

#### ARTICLE XIV INDEMNIFICATION OF OFFICERS AND DIRECTORS

*Section 14.1 Third Party Actions.* To the fullest extent permitted by the Michigan Nonprofit Corporation Act, the Association shall, subject to Section 14.5 below, indemnify any person who was or is a party defendant or is threatened to be made a party defendant to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the Association) by reason of the fact that he is or was a Director or officer of the Association, or is or was serving at the request of the Association as a Director, officer, employee or agent of another corporation, partnership, joint venture, trust or enterprise, against expenses (including actual and reasonable attorney fees), judgments, fines and amounts reasonably paid in settlement actually and reasonably incurred by him in connection with such action, suit or proceeding if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the Association or its Members, and with respect to any criminal action or proceeding, had no reasonable cause to believe his conduct was unlawful. The termination of any action, suit or proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent, shall not, of itself, create a presumption (a) that the person did not act in good faith and in a manner which he reasonably believed to be in or not opposed to best interests of the Association or its Members, and (b) with respect to any criminal action or proceeding, that the person had reasonable cause to believe that his conduct was unlawful.

*Section 14.2 Actions in the Right of the Association.* To the fullest extent permitted by Michigan Non-profit Corporation Act, the Association shall, subject to Section 14.5 below, indemnify any person who was or is a party defendant to or is threatened to be made a party defendant of any threatened, pending or completed action or suit by or in the right of the Association to procure a judgment in its favor by reason of the fact that he is or was a Director or officer of the Association, or is or was serving at the request of the Association as a Director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against expenses (including actual and reasonable attorney fees) actually and reasonably incurred by him in connection with the defense or settlement of such action or suit and amounts reasonably paid in settlement if he acted in good faith and in a manner reasonably believed to be in or not opposed to the best interested of the Association or its Members, except that no indemnification shall be made in respect of any claim, issue or matter as to which person shall

have been adjudged to be liable to the Association unless and only to the extent that the court in which such action or suit was brought shall determine upon application that, despite the adjudication of liability but in view of all circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which such court shall deem proper.

*Section 14.3 Insurance.* The Association may purchase and maintain insurance on behalf of any person who is or was a Director, employee or agent of the Association, or is or was serving at the request of the Association as Director, officer, employee or agent against any liability asserted against him and incurred by him in any such capacity or arising out of his status as such, whether or not the Association would have power to indemnify him against such liability under Sections 14.1 and 14.2 above. In addition, the Association may purchase and maintain insurance for its own benefit to indemnify it against any liabilities it may have as a result of its obligation of indemnification made under Sections 14.1 and 14.2 above.

*Section 14.4 Expenses of Successful Defense.* To the extent that a person has been successful on the merits or otherwise in defense of any action, suit or proceeding referred to in Sections 14.1 and 14.2 above, or in defense of any claim, issue or matter therein, or to the extent such persons incurs expenses (including actual and reasonable attorney fees) in successfully enforcing the provisions of this Article XIV, he shall be indemnified against expenses (including attorney fees) actually and reasonably incurred by him in connection therewith.

*Section 14.5 Determination that Indemnification is Proper.* Any indemnification under Sections 14.1 and 14.2 above (unless ordered by a court) shall be made by the Association only as authorized in the specific case upon a determination that indemnification of the person is proper under the circumstances, because he has met the applicable standard of conduct set forth in Sections 14.1 or 14.2 above, whichever is applicable. Notwithstanding anything to the contrary contained in this Article XIV, in no event shall any person be entitled to any indemnification under the provisions of this Article XIV if he is adjudged guilty of willful or wanton misconduct or gross negligence in the performance of his duties. The determination to extend such indemnification shall be made in any one (1) of the following ways:

- (a) By a majority vote of a quorum of the Board of Directors consisting of Directors who were not parties to such action, suit or proceeding; or
- (b) If such quorum described in (a) is not obtainable, then by a majority vote of a committee of Directors who are not parties to the action, suit or proceeding. The committee shall consist of not less than two (2) disinterested Directors; or
- (c) If such quorum described in (a) is not obtainable (or, even if obtainable, a quorum of disinterested Directors, so directs), by independent legal counsel in a written opinion.

If the Association determines that full indemnification is not proper under Sections 14.1 or 14.2 above, it may nonetheless determine to make whatever partial indemnification it deems proper. At least 10 days prior to the payment of any indemnification claim which is approved, the Board of Directors shall provide all Co-Owners with written notice thereof.

*Section 14.6 Expense Advance.* Expenses incurred in defending a civil or criminal action, suit or proceeding described in Sections 14.1 and 14.2 above may be paid by the Association in advance of the final disposition of such action, suit or proceeding as provided in Section 14.4 above upon receipt of an undertaking by or on behalf of the person involved to repay such amount unless it shall ultimately be determined that he is entitled to be indemnified by the Association. At least ten (10) days prior to advancing any expenses to any person under this Section 14.6, the Board of Directors shall provide all Co-Owners with written notice thereof.

*Section 14.7 Former Representatives, Officers, Employees or Agents.* The indemnification provided in this Article XIV shall continue as to a person who has ceased to be a Director, officer, employee or agent of the Association and shall inure to the benefits of the heirs, executors and administrators of such person.

*Section 14.8 Changes in Michigan Law.* In the event of any change of the Michigan statutory provisions applicable to the Association relating to the subject matter of this Article XIV, the indemnification to which any person shall be entitled hereunder arising out of acts or omissions occurring after the effective date of such amendment shall be determined by such changed provisions. No amendment to or repeal of Michigan law with respect to indemnification shall restrict the Association's indemnification undertaking herein with respect to acts or omissions occurring to prior such amendment or repeal. The Board of Directors are authorized to amend this Article XIV to conform to any such changed statutory provisions.

## ARTICLE XV AMENDMENTS

Any rights and powers reserved or retained by Developer, or its successors and assigns shall expire, at the conclusion of two (2) years following the expiration of the Construction and Sales Period, except as otherwise expressly provided in the Condominium Documents. The immediately preceding sentence dealing with the expiration and termination of certain rights and powers granted or reserved to the Developer are intended to apply, insofar as the Developer is concerned, only to Developer's rights to approve and control the administration of the Condominium and shall not, under any circumstances, be constructed to apply to or cause the termination and expiration of any real property rights granted or reserved to the Developer or its successors and assigns in the Master Deed, elsewhere (including, but not limited to, access easements, utility easements, and all other easements created and reserved in such documents which shall not be terminable in any manner hereunder) and which shall be governed only in accordance with the terms of the instruments, documents or agreements that created or reserved such property rights.

In addition, in the event of a default which does not result in a legal proceeding, the Association shall have a right to assess to any Co-Owner all costs and expenses incurred, including all attorneys' fees.

The Association shall have no liability to any Co-Owner arising out of the exercise of its rights under this Section 17.3.

*Section 17.4 Assessment of Fines.* The violation of any of the provisions of the Condominium Documents by any Co-Owner shall be grounds for the assessment by the Association, acting through its duly constituted Board of Directors, of monetary fines against the applicable Co-Owner. Such fines may be assessed only upon delivery of written notice to the offending Co-Owner, and an opportunity for such Co-Owner to appear before the Board no less than seven (7) days from the date of the notice and offer evidence in defense of the alleged violation. When the Co-Owner does appear before the Board and is given the opportunity to defend the alleged violation(s), the Co-Owner

shall be given the opportunity to defend all fines assessed against him or her through the date of the meeting; however, if the Board determines that the offending Co-Owner does not have a valid defense to the alleged violation(s), the Co-Owner shall be required to pay all fines in accordance with this Section assessed against him or her for failing to remedy the violation of the Condominium Documents within the allotted forty-eight (48) hour period(s).

*Section 17.5 Non-waiver of Rights.* The failure of the Association or of any Co-Owner to enforce any right, provision, covenant or condition which may be granted by the Condominium Documents shall not constitute a waiver of the right of the Association or of any such Co-Owner to enforce such right, provision, covenant or condition in the future.

*Section 17.6 Cumulative Rights, Remedies and Privileges.* All rights, remedied and privileges granted to the Association or any Co-Owner or Co-Owners pursuant to any of the terms, provisions, covenant or conditions of the Condominium Documents shall be deemed to be cumulative and the exercise of any one (1) or more of such rights or remedies shall not be deemed to constitute an election of remedies, nor shall it preclude the party exercising the same from exercising such other and additional rights, remedies or privileges as may be available to such party under the Condominium Documents or at law or in equity.

*Section 17.7 Enforcement of Provisions of Condominium Documents.* A Co-Owner may file arbitration with the American Arbitration Association against the Association and its officers and Directors to compel such persons to enforce the terms and provisions of the Condominium Documents. As provided in the Article of Incorporation of the Association, the commencement of any civil action (other than one to enforce these Bylaws or collect delinquent assessments) shall require the approval of a majority in number and in value of the Co-Owners, and shall be governed by the requirements of this Article XVIII. The requirements of this Article XVIII will ensure that the Co-Owners are fully informed regarding the prospects and likely costs of any civil action the Association proposes to engage in, as well as the ongoing status of any civil actions actually filed by the Association. These requirements are imposed in order to reduce both the cost of litigation and the risk of improvident litigation, and in order to avoid the waste of the Association's assets in litigation where reasonable and prudent alternatives to the litigation exist. Each Co-Owner shall have standing to sue to enforce the requirements of this Article XVIII. The following procedures and requirements apply to the Association's commencement of any civil action other than an action to enforce these Bylaws or to collect delinquent assessments. In all cases the Association shall attempt to resolve disputes using arbitration and/or mediation.

*Section 18.1 Board of Directors' Recommendation to Co-Owners.* The Association's Board of Directors shall be responsible in the first instance for recommending to the Co-Owners that a civil action be filed, and supervising and directing any civil actions that are filed.

*Section 18.2 Litigation Evaluation Meeting.* Before an attorney is engaged for purposes of filing a civil action or arbitration on behalf of the Association, the Board of Directors shall call a special meeting of the Co-Owners (the "litigation evaluation meeting") for the express purpose of evaluating the merits of the proposed civil action. The written notice to the Co-Owners of the date, time and place of the litigation evaluation meeting shall be sent to all Co- Owners not less than twenty (20) days before the date of the meeting and shall include the following information copied onto 8-1/2" x 11" paper:

- (a) A certified resolution of the Board of Directors setting forth in detail the concerns of the Board of Directors giving rise to the need to file a civil action and further certifying that:
  - (i) it is in the best interests of the Association to file a lawsuit;
  - (ii) that at least one member of the Board of Directors has personally made a good faith effort to negotiate a settlement with the putative defendant(s) on behalf of the Association, without success;
  - (iii) litigation is the only prudent, feasible and reasonable alternative; and
  - (iv) the Board of Directors' proposed attorney for the civil action is of the written opinion that the litigation is the Association's most reasonable and prudent alternative.
- (b) A written summary of the relevant experience of the attorney ("litigation attorney") the Board of Directors recommends be retained to represent the Association in the proposed civil action, including the following information:
  - (i) the number of years the litigation attorney has practiced law; and
  - (ii) the name and address of every condominium and homeowner association for which the attorney has filed a civil action in any court, together with the case number, county and court in which each civil action was filed.
- (c) The litigation attorney's written estimate of the amount of the Association's likely recovery in the proposal lawsuit, net of legal fees, court costs, expert witness fees and all other expenses expected to be incurred in the litigation.
- (d) The litigation attorney's written estimate of the cost of the civil action through a trial on the merits of the case ("total estimated cost"). The total estimated cost of the civil action shall include the litigation attorney's expected fees, court costs, expert witness fees, and all other expenses expected to be incurred in the civil action.

- (e) The litigation attorney's proposed written fee agreement.
- (f) The amount to be specially assessed against each Unit in the Condominium to fund the estimated cost of the civil action both in total and on a monthly per Unit basis, as required by Section 18.6 of these Bylaws.

*Section 18.3 Independent Expert Opinion.* If the lawsuit relates to the condition of any of the Common Elements of the Condominium, the Board of Directors shall obtain a written independent expert opinion as to reasonable and practical alternative approaches to repairing the problems with the Common Elements, which shall set forth the estimated costs and expected viability of each alternative. In obtaining the independent expert opinion required by the preceding sentence, the Board of Directors shall conduct its own investigation as to the qualifications of any expert and shall not retain any expert recommended by the litigation attorney with whom the Board of Directors consults. The purpose of the independent expert opinion is to avoid any potential confusion regarding the condition of the Common Elements that might be created by a report prepared as an instrument of advocacy for use in a civil action. The independent expert opinion will ensure that the Co-Owners have a realistic appraisal of the condition of the Common Elements, the likely costs of repairs to or replacement of the same, and the reasonable and prudent repair and replacement alternatives. The independent expert opinions shall be sent to all Co-Owners with the written notice of the litigation evaluation meeting.

*Section 18.4 Fee Agreement with Litigation Attorney.* The Association shall have a written fee agreement with the litigation attorney, and any other attorney retained to handle the proposed civil action. The Association shall not enter into any fee agreement that is a combination of retained attorney's hourly rate and a contingent fee arrangement unless the existence of the agreement is disclosed to the Co-Owners in the text of the Association's written notice to the Co-Owners of the litigation evaluation meeting.

*Section 18.5 Co-Owner Vote Required.* At the litigation evaluation meeting the Co-Owners shall vote on whether to authorize the Board of Directors to proceed with the proposed civil action and whether the matter should be handled by the litigation attorney. The commencement of any civil action by the Association (other than a suit to enforce these Bylaws or collect delinquent assessments) shall require the approval of a majority in number and in value of the Co-Owners. Any proxies to be voted at the litigation evaluation meeting must be signed at least seven (7) days prior to the litigation evaluation meeting. Notwithstanding any other provision of the Condominium Documents, no litigation shall be initiated by the Association against the Developer until such litigation has been approved by an affirmative vote of seventy-five (75%) percent of all members of the Association in number and value attained after a litigation evaluation meeting held specifically for the purpose of approving such action.

*Section 18.6 Litigation Special Assessment.* All legal fees incurred in pursuit of any civil action that is subject to Sections 18.1 through 18.10 hereof shall be paid by a special assessment of the Co-Owners ("litigation special assessment"). The litigation special assessment shall be approved at the litigation evaluation meeting (or at any subsequent duly called and noticed meeting) by a majority in number and in value of all Co-Owners in the amount of the estimated total cost of the civil action. If the litigation attorney proposed by the Board of Directors is not

retained, the litigation special assessment shall be in an amount equal to the estimated total cost of the civil action, as estimated by the attorney actually retained by the Association. The litigation special assessment shall be appointed to the Co-Owners in accordance with their respective percentage of value interests in the Condominium and shall be collected from the Co-Owners on a monthly basis. The total amount of the litigation special assessment shall be collected monthly over a period not to exceed twenty-four (24) months.

*Section 18.7 Attorney's Written Report.* During the course of any civil action authorized by the Co-Owners, the retained attorney shall submit a written report ("attorney's written report") to the Board of Directors every thirty (30) days setting forth:

- (a) The attorney's fees, the fees of any experts retained by the attorney, and all other costs of the litigation during the thirty (30) day period immediately preceding the date of the attorney's written report ("reporting period");
- (b) All actions taken in the civil action during the reporting period, together with copies of all pleadings, court papers and correspondence filed with the court or sent to opposing counsel during the reporting period.
- (c) A detailed description of all discussions with opposing counsel during the reporting period, written and oral, including, but not limited to, settlement discussions.
- (d) The costs incurred in the civil action through the date of the written report, as compared to the attorney's estimated total cost of the civil action.
- (e) Whether the originally estimated total costs of the civil action remains accurate.

*Section 18.8 Attorney's Written Report.* The Board of Directors shall meet monthly during the course of any civil action to discuss and review:

- (a) the status of the litigation;
- (b) the status of settlement efforts, if any; and
- (c) the attorney's written report

*Section 18.9 Changes in the Litigation Special Assessment.* If, at any time during the course of a civil action, the Board of Directors determines that the originally estimated cost of the civil action or any revision thereof is inaccurate, the Board of Directors shall immediately prepare a revised estimate of the total costs of the civil action. If the revised estimate exceed the litigation special assessment previously approved by the Co-Owners, the Board of Directors shall call a special meeting of the Co-Owners to review the status of the litigation, and to all the Co-Owners to vote on whether to continue the civil action and increase the litigation special assessment. The meeting shall have the same quorum and voting requirements as a litigation evaluation meeting.

*Section 18.10 Disclosure of Litigation Expenses.* The attorney's fees, court costs, expert witness fees and all other expenses of any civil action filed by the Association ("litigation expenses") shall be fully disclosed to Co-Owners in the Association's annual budget. The litigation expenses for each civil action filed by the Association shall be listed as a separate line item captioned "litigation expenses" in the Association's annual budget.

**ARTICLE XIX  
SEVERABILITY**

In the event that any of the terms, provisions or covenants of these Bylaws or the Condominium Documents are held to be partially or wholly invalid or unenforceable for any reason whatsoever, such invalidity shall not affect, alter, modify or impair in any manner whatsoever any of the other terms, provisions or covenants of such documents or the remaining portions of any terms, provisions or covenants held to be partially invalid or unenforceable.

**ARTICLE XX  
HUD HELD OR INSURED MORTGAGES**

If any mortgage upon all or any portion of the Condominium premises is owned, held or insured by the United States Department of Housing and Urban Development, then any reference in these Bylaws to "mortgagee," "first mortgagee," or "institutional holder" of mortgages shall be constructed to include the Department of Housing and Urban Development.
